Chapter 1

Introductory note

Well it should begin with a special note. Everyone was born low strature but some chose to use their caste as a tool to show their caste supremacy (aggressive) while others decided to look in their caste's deficiencies and defects and wanted to defend so that they can't be targetted on the base of mere caste. And then caste supremacists have Divya Bhadoriya to put in their respective caste name in place while the defenders can be born a high caste but sees the caste as a soft point where he can be targetted. The pun can be identified by the fact that Swati Jain though a jain sees the point of her caste by seeing how jains have been targetted in Hindu literature. While the Jain temple gadhi incharge of Yamunanagar (Call him Amar Rana or Billi Ranganathan or Ajay Pathak or Amit Prashar starting at Sunil Yadav) sees his jain name to become a caste reverer showing his caste superiority and also taking help from Divya time to time. Though both of them are jains. { As a meditation check , the male was a Barber and female was living in a barber family (Duggal's) as their daughter and they had little love affair till some time and now they are both born jain.)

As a soft stand on castists from my side and what some like Sooraj have told me, is that the aggressive standers have already decided to die in Blue star before choosing to stand by Caste as the only tool to get some respect even if it's not possible to survive the massacre. On a funny note, they are also the low castes (neech jaat) who have suffered all the atrocities given to low caste in the past. I don't know if this is true. But as per them they are aggressive in caste in modern times and want to live like that and don't want to think of their scary caste

past.

Chapter 2

Reservation

The SC/ST get every 4th seat in every 4 seats available as per law (they were around 25% at the time of independence of India). Now this is the defender group largely. Targetting this, the Aggressive group registered themselves in the OBC and got two out of the rest 3 seats reserved evading any low caste targetting but enjoying seat benefits. This group are the Yadavs. They claim to be 57% in number. Then there is the minority bill, I don't know if they have got any reservation policy implemented at the time. The remaining one seat has been kept independent ever since times immemorial. As per law anybody out of the defenders or attackers can compete in this group. Or somebody who is not clear on his stand. Or even someone who is extra clear on his stand. And the number of seats available are a whopping 23%. Now even if 3.19% Muslim minority reservation comes in place in near future or might be already in place if the paper work completed properly, then still there is a 20% for General Category, the category in which any person can compete. So it's one out of every five seats. Effectively the first seat out of the five seats. As a particularly palpating expression on the independence day, there were 3.19% Sher's mostly settled in Chandigarh, then there were Babbar Sher's 20% in number settled in and around Chandigarh. Then there are 25% ¹Tigers who fight from

¹Tiger was not accepted as a high caste animal by the high caste group even while it's the national animal of India. Cow was however marked the symbol of high caste and there is demand by the so-called high castes esp. from Rajasthan to change the national animal of India to Cow. Cow's milk is found to be allergic to few people, there has been a theory that they are low castes while the affected group claims that cow's milk has smell in it compared to buffalo's milk just like goat's

SC Category. And there were 57% Jaguarheads and their families(and he took 550 bucks as something everybody knows) . Last is the Japan, they don't get counted in India's seats and plays as a supporter only. It's called the ID's. Now Japanese are married to Indian people that should be noted. Now each of these persons had two legs. One mine , one their own and each has lots of kids. All other kids(non-independent or independent) play under those two people's seat and their four legs under which they have been created. Then there are the animals who are lucky to be independent also just like many many other forms and they have legs also. It's evedent that guys who want to be babbar sher prefer general category. SC category is a good preference for a lot in modern india as it gave a correct answer to the whole caste question which the opposite group demanded. He's a growing kid, true and not failed and a survivor in the toughest times. About my own caste I listen to people what they say. Some say you are a SC, one ramji guy at NCC camp saw me as pandit. And their are lots of values written in my caste table at Divya Bhadoriya's computer ranging from brahmin to khatri to rajput to badwan to ofcourse ramdasi and chamar and many many more except baniya. Evidently these values are probably what she sought fit according to her judgements about me. Swati jain is happy , she got electropandit but papa is saying there is some error in this.

Love Attacking - There is a special practice to attack a person if you love him to get his/her affections in return. Divya has attacked 3 guys, one manas(as bajirao bajripaddu) , one manish (As Lakkadbagha

milk , camel's milk etc. Further there were claims by the allergic that cow's milk has part urine in it while the cow supporters started offering plain cow urine instead and said that even it has benifits and courses on research of cow dung benifits etc were also started at some places just like the RDL340 course I did in IIT. The milk dispute is so engrossing that there are movies showing people offering milk instead of water in prisons to defiant prisoners. Further some fellows tell that they have even been given pig's milk, which is further higher in allergy and poisonous also sometimes. The nishant kumar pig guy has got place in general category all due to divya's efforts and is highly castist most of the times, showing that he is indeed an OBC, however sporting the OBC caste in his Rajdeep Chaudhary birth etc. and even marked SC in his Cammy birth. Goat's milk supporters (mostly the tibeties) said that egg is put in goat's milk to impart smell otherwise it is almost as good as buffalow's milk or just slightly less in taste. Maama log claim that the particular egg is male goat's egg which is mixed in goat's milk. Camel's milk has found it's takers as far as hyderabad with restuarants there offering camel's milk products like lassi, however allergic ppl claim that it has the milk's yellow or the primitive yellow milk of a mother having just achieved motherhood all the times, they mean that the yellow milk is present in camel's milk all the time.

giddartypestrong) and one more guy. Evedently this method of getting affection in return can work in some cases but not all. I personally like public display of affection and one definitely has to be above caste differences to be this humble:P.

[On a funny note, B.R. Ambedkar is divya's real brother in their next birth. He wrote the constitution and the reservation paras. However, one day she claimed Pandey Bhau(Amay Pandey (Shiv)) is her brother. It's possible that she has two brothers but I always knew she had only one brother. Beleiving that Ambedkarji and bhau are the same guy is difficult for me, it appears not true. She was in her Ekta birth here.]

One more Masculine Strong Fox group is emerging, they are the Economically Weaker Section(some claim "amongst high castes") . They get lone one seat sometimes on parents expiry.

Chapter 3

Daru non-payment afsana

If you paid incomplete amount in any daru drinking event you need to pay 28000 as the bill and any intersts (if occluded)....like manish kalia's case..... if fully unpaid , you drink in multiples of 1 lakh 60 thousand counting the level of overdrunkardness and unpaid. Usually 1 shift overdrunkard and unpaid has to pay 3 lakh 20 thousand like neha kalia's case. As an example duggal spent most of his 20 thousand crore in paying his / his wife's and puneet's daru bill..... yeh bakwas baat hai ke woh paisa kisi ko milta hai..... woh daaru ki unpaid payment hoti hai aur bhatth ch jaanda hai.... interstingly bank payment mein koi interst ka rule nahi tha initially , earlier jitna liya hota tha utna hi wapas karna hota tha.....par due to daru funds fraud , the thing like interest was invented. Kuch log kehte hain ke daru payments mein fraud jab se hai....bank loan mein interst bhi tabhi se hai..... usually jin logon ke ghar mein ek ya ek se zyada daru peene waale hote hain woh log commerce stream lene ki koshish zaroor karte hain padhai mein.....is daru cycle ko samajhne ke liye..... nahi to saare engineer doctor hi na hote.....daaru peene wala khud usually anguthachaap hota hai par kai un logon mein se 1st class govt job se retire huye hain pata nahi kaise.... maybe because of links in the govt. organizations..... eg. maama (jo pay nahi karta tha kabhi daaru ka) aur maasar (jo apni kharid ke peeta hai)..... in olden times it used to be a strategy ke daaru free di pala dao te jaydaad apne naam lakha lao..... however it's not possible.... peeta hoya banda tan apne aap nu jyada hosh wich samajhda hai.....daaru free di pala ke sirf 1.60 lakh(ya usde multiple) hi bhatth wich pawaya ja sakda hai

.... property naam nahi lakhai jaa sakdi due to system audit..... tan eh gall ke daaru pala ke saari property naam lakha layi eh bilkul chooth gall hai..... asli gall eh hai ke jehdi daaru peeti hai uhda bill wi dena payega..... e.g. saamne waale aande waale keh rahe si ke daaru pala ke property likha layi kisseyne.....eh chooth gall hai bilkul.....par chalo filman which dakhana waala masala hai ik kisam da eh par os bande ne jihne eh film wich dakhaya hai usto uppar de levels te question hoyega ke saaleya tu eh choothi gall dakhayi kiddan.....it is possible ke je kise ne property naam lakhayi hai us ne daru tan aiwen hi pala ditti hoyegi dushmani kaddan layi ke baad wich 1.60 lakh (ya multiple) pay karda rahega..... par us de kol latthait wi hone ne ke dara ke property lakhayi hoye...ke saaleya sawere teri lash nu kutta chatt reha howega nahi tan property naam likh.....je aapdi marzi naal property likh dawo tan oh galat manneya jaanda hai te dooje de naa ho jaandi hai..... par lutt kassut da case ho sakda hai dooje te je oh banda court ya police kol jaana chahnda howe.....matlab odhar de sarkari latthait leyana chahnda howe wagairah.....private latthait na afford kar sakda howe.....jikkian ke khosla ka ghosla movie wich wakhaya wi geya hai..... In general jo daru da pay kar ke peenda hai us da sab kujh lut jaanda hai.....te jo free wich peenda hai oh lutt lenda hai.....par baad wich jadon sirf naa pay karan waale hi bach jaande han os time us bande di security jabt ho jaandi hai(free wich peen waale di)....as a general rule.....changey bandey nu daaru free wich nahi mildi.....te je changiyat poore naalon thodi ghatt wi hove tan vi 28000 di mildi hai.....jehda bilkul hi chor haramkhor banda hunda hai us bande di security jabt hundi hai(matlab narak wich jaanda hai)..... Jis bande ke against 28000 se bhi kam ka(paid+unpaid) daru claim bane woh "nahi peeta" aisa bol sakta hai par saath mein bata de kitni pi hai.....usually by simple logic jo naa peene waalon ko hi samajh aata hai(matlab easy hai par nasha thoda utra ho to easily samjha jaa sakta hai).....kitna claim bana hai woh baad mein pata chal jaata hai.....jab paisa utarna padta hai.....another thing.....free wich peen waale bachcheyan nu muhre kar dinde ne maran waste.....jadke apni peen waale bachche hunde ne.... naa peen waaleyan nu bachcheyan di wadheri fikar hundi hai te unha nu satt nahi laggan dinde.....ate unhan te akh chukkan waaleyan nu bakshan da revaz wi follow nahi karde.....basically teams barabar strength ya gandi team (daaru free peen waale ate naal de naal caste system nu wi support karan waale) zyada number wich hain....te zyada powerfull positions wich baithe ne.....fer wi unha nu kade wi jittan nahi ditta gaya ajj takk.....bachche es ladai wich wadh

chadh ke part lende ne te sach da saath dinde ne.....as a general rule , sach bolan waale di hamesha jitt hundi hai ate kade wi haar da muh nahi wekhna painda.....Ate eh wi yaad rahe team India is our team....of the standing by truth and victorious always.....on a good note..... daaru apne paise ki peene waale ko aaj tak kabhi interest pay nahi karna pada.....uska yeh reason hota hai ke daaru free mein peene waala banda yeh sochta hai ke jo paise usne daaru ke paise na de ke bachaye hain woh unhe badhaye kaise.....so he invented interest etc. things.....jis se kam paisa de ke zyada mile.....jabke daaru apne paise ki peene waala yeh sochta hai ki is zaalim duniya mein milega kya....jo apna hai wahi bacha rahe ya dheere dheere use ho.....zindagi nikal jaye bas.....so he thinks more rationally ke money ki utni hi value hoti hai jitni hoti hai.... in general jis bande se interest batara jaa sake usne daaru pi hoti hai kuch amount free ki..... otherwise interest nahi collect kiya ja sakta.....under any circumstances.....waise latthait dono teams ke paas hote hain apna point prove karne ke liye.....aur bewdi ullu lovina ki maanein to in two boxer bout both get hit with equal strength..... however this is far from true kyonke ek side sahi bhi hoti hai dono mein se....chahe latthait dono ke paas hote hain , no doubt about it.....woh log baad mein kehte hain ke daaru ka paisa hamne de to diya....ab kya???.....par we must recite the system rule.....woh paisa tumse latthaiton dwara nikalwaya gaya kyonke jo pay na kiya ho woh baad mein pay karna padta hi hai.....tumne khud nahi diya.....P kyonke ek team sach ki side thi aur uske latthait zyada strong ho gaye jeet-te jeet-te.....

Chapter 4

Tax Payment

Good team tax zaroor pay kardi hai par GST implemented tax pay karan wich thoda katrandi hai.....GST wich jehda gobar doosri team ne khalaya hunda hai usdi payment wasuli jaandi hai.....ate normal income tax desh de naal wafadaari da parameter hai..... Is de vipreet opposite team GST implemented tax zaroor pay kardi hai ke chalo asi gobar khalaya si chalo thoda gobar khan de paise wi de daiye.....Gobar khaana bahut hi dukh den waali parkiriya hundi hai.....kujh log bilkul wi gobar khaana pasand nahi karde..... In my case, i have so far paid around 100 bucks as GST....ate es amount ya es to zyada amount da gobbar mainu khana pawega es zindagi wich.....haalake purane zamane wich isto bilkul ulat , income tax pay karan nu ik wadda te deshbhagti waala kamm manneya jaanda si..... jad GST laagu nahi hoya si.....eh os same di gall hai.....parane zamane da Income Tax sarkaar nu strengthen karda si , ate sarkari punji wich ijaafa karda si.....jis de naal desh nu benifits hunde si jikan ke dollar de against rupee di value wagairah.....ajj da GST sirf reliance da gobar khawaan de kamm hi aa reha hai.....parane same wich je koi imaandaar nahi hunda si osnu samjhaya jaanda si ke imaandaar bano te tax pay karoate desh di pragati wich bhaagidaar bano.....jadke ajjkal , jithe ikk paase dukaandaaran nu without any audit khulli chutt hai ke kinna wi GST pay kar deyo chalaan kata ke othe hi imaandaaran nu force kita jaa reha hai ke tusi wi GST pay karo(ate gobar khao onne amount da).....

Chapter 5

Insurance Policy

As in LIC es cheez da kya mahatt hai eh mainu aje tak samajh nahi aaya.....par mere family members insurance amount pay zaroor karde ne halake main isde koi khaas pakh wich nahi si.....pata challan to baad hi dass pawanga ke isda kya paryojan hai....eh tan asliyat wich ikk kisam da prize hai je tusi imaandaari naal tax pay karde rahe ho....

Chapter 6

Family Size

In a normal family , members are kept on the basis of love. More than 35% love means single family. In case of a family person separation , the reason is that love for him/her has reduced from more than 35% to a lesser value and other emotions mostly need has taken it's place. Violence at the time of separation is another factor and just a family emotion only having a definite percentage of value. In case of collective community liking for a person decreases to less than 3.32% he/she dies , sometimes violently in response to community emotion weight. Usually a modesty intruder is killed violently only otherwise it is peacefull death given by god. As an example partition at the time of independence saw untraceable unrecognized people involving in community violence. As a new case 1984 guilty have been caught like Mr. Sajjan Singh , however Jagdish Titler is evading punishment till now. It is a special case where guilty have been caught for death cases and the govt. had to bow to sikh community pressure though lots of sikhs were themselves involved in terrorism themselves during 1984 era. Maybe due to the favourable govt. of Modi taking sides with sikh extremist groups. Evidently , the people who died in anti-sikh violence in delhi and adjoining areas were not terrorists themselves. However the group on whose support basis they have been able to take their point at high level is the same extremist terrorist group responsible for killing innocent people in punjab during the terrorist era. However with whatever way , right or wrong, they have won the case and Sajjan Singh Rangrut is now in jail. I am personally totally against terrorism and any terrorist backed organizations and cases. Bhindranwala who

was the terrorist head , has become the Sant brand now , popular in Punjab dealing in rexin Shoes , Handbags etc. and making money in a major way. Why I am totally opposed to this 84 judgement is because it would mean a history note maybe that sikhs were killed in 84. However in reality they were the sikh terrorist groups who were killing people blatantly and got killed in police action against them. However they have started a new story that they have been killed instead. They want history lessons changed in the wake of modi govt's stand in favour of extremism which in real terms means terrorism. I have personally seen terrorism in my small age at it was prevelent even till 1988-89 years and needed proper action to establish peace in punjab state. Maybe they mean ke chahe sikhon ne bahut saare log maare the par kuch sikh mare bhi the during 84.

Chapter 7

Bullying by Cowards

Modi's era has seen major surge in begging with cows. Mostly these beggars are operative in public area symbolic of the fact that Modi is in power and making good bully money for their daily nasha-patta drugs etc. A cow beggar won't stop even on constant denials about any money , and even come for booty and won't shy away from beating a family member of yours coming in groups with other cow beggars for the insult he has borne by any responsible society member who comes against the useless bullying.

Irrespective of the choice of taste of milk, i must recite that buffalow is available only in india while cows occurs in all other countries while buffalow does not exist in other countries. So, if you have lived most of your life in Australia , you can import few cows with yourself to keep the taste of that milk afresh.

Chapter 8

Payments with Kachchi Raseed

Evidently those dealing in money via Kachchi Raseed are doing it illegally. I have seen one suman and her husband (distant maamey) claiming money everyday (on every System Restore) from my Parents. They have not paid a single rupee but come claiming of 2 lakhs everyday and some of the unsuspecting parents even fall prey to them and pay the amount. It is seen that they have bought around 10-15 shops in Maloya with that amount. Kachchi Raseed is illegal as they are doing finance work without paying any tax and getting it registered to the govt even if they are doing it in reality and is punishable under law.

8.1 Committee participation

In case of participating in a committee, it has to be registered with the village panchayat and all the members participating should fall under the same panchayat.

Chapter 9

June according to Ramshastra

There are only 4 juni's first is of a donkey, second is of cow, third is of buffalow, fourth of horse. After that one gets married and many partners following and you get your partner's opposite sex juni. It's complex however how the juni chakra can be ended , I think with little thinking and belief , one can reduce the juni number from 84 lakh to slowly bringing it to as small as 8 then 1 and finally less than one and zero altogether. Apart from these 4 junis there are four less than 84 lakh more junis but they can be got from partner only while these 4 basic junis everybody gets.

Donkey works for the washerman, cow gives milk to brahmins and is white(so good looking), buffalow gives milk for the halwai products , horse is a doctor and knows righteausness as it is most intelligent out of these four.

Chapter 10

Guru Angad Dev ji or Bhai Mardana

Now, preet's son angad was a teacher and not guru in my opinion. Teachers teach in Modern times while students study from them, also called by Ghor Kaliyug by many critics. While gurus existed in olden times relatively when even elves lived on earth so in those pious times the teachings had far implications. Now Bhai Mardana is the only guru teaching in modern times in his Radhaswami Guru birth, but he is still teaching non-matter science or nirgun roop of god different from what teachers teach. I think a teacher would teach how to make calculations while a guru will teach how to reach god. Even as per preet himself, a teacher teaches how to use your own brain(and make clever fast calculations also) while a Guru tells how to be a pious soul to earn good karam. So, in my opinion Angad is a teacher while Bhai Mardana who wrote the aad granth listening to Guru Nanak's liv connection is the righteous second guru. Moreover my mom had taught me that he was the second guru while my punjabi teacher Inderbir Kaur marked it wrong in my test and later forced me to write the opposite in exam. However had it been asked in board exam i would have written correctly. She even tore the punjabi written with bindi on top of my board paper probably out of religious vendetta. Its prescribed by them that tippi be used instead while my father had taught otherwise. I can further say that it's illegal to tear somebody's answer sheet for whatever reasons it was done according to indian law though punishment can be small , even as a small fine or repremand. She was my tayi in relation(

according to my calculation) and had even backed preet in getting second guru named that way.

Moreover there are other materialistic questions arising like if guru angad was not known to guru nanak , how did the guru gaddi pass to him after nanak. Moreover angad (preet's son) was injection born (squab) so he was not in his real lineage, this question also arises, as some materialists say that only blood relations remain and non-blood ones are mere shareeks.

In Guru Granth Sahib, all first 9 gurus have marked the signature with nanak name , so from the scripture alone it's not possible to know about the name of second guru.

As an interrogation, it's said that Chanchal (the social worker, maybe not his real name , just a handle) will question me what I am saying in his own words and note my answers at the mental asylum where i am registered. It's being argued that some sort of editing in this document is possible from my side after coming back from questioning.

There is also a lokokti "Chor chori waali jagah pe waapas zaroor aata hai." in this regard. But it remains a question again ke agar main chori kar raha hoon to kahan , in this document or in Sector 32 GMCH. This lokokti is created by BB tanupreet (another divya bhadoria at iit) aur us chori ka anjaam kya hai? if they are firm on their statement that this second Guru fact given by me is not true. I further claim ke lokokti zaroori nahi ke sahi ho, but they are time tested to be true by many people , muhawra sahi hota hai agar sahi meaning pata ho to and it's easy to find out their meaning , to defend my side of work. Lokokti ke case mein jo woh bol rahe hain use hi thoda explain karke dobara bolna hota hai aur explanation koi standard nahi hoti. Muhawra ek question hota hai jo answer karna hota hai aur standard answer hota hai. Baad mein question aur answer ko mila ke explanation banayi jaa sakti hai ke yeh answer kaise aaya. Muhawra language ka part hota hai jabke lokokti literature hota hai (m.a.). To jisne M.A. ki hi na ho poori usko dikkat aa sakti hai lokokti mein aisa maana jaa sakta hai. We had a bullet 350 standard , we sold it later. It was made of our first car's metal (maruti 800). It was cherry (blossom), according to tayi's son. He is a nigga and doesn't have clue about document creation, basically there is some problem that the documents which manish creates himself have error and for correct document which can stand the test of day and night can be created by few people but then document creation is not everything. My wife says that there are people at the back of every book who have worked on the problem statement, but then there are

people at front also who defend what's said. I don't want to steal credit from any of them , credit can't be stolen imo and that's an immaterial thing. I end it here itself, things are getting wary and losing meaning as some people might make a hoax that i'm asking credit card related question which is not true. Nigerians are usually busted in drug selling cases in punjab while they say it's part of our regular diet but banned in India. Everyone is same in the eyes of law, so no reprove.

Now there are two other types of Angads not in preet's family. 1. Ramayan's Angad , who is a buddhist tibetian and the SYSTEM guru, but again in modern times he is studying at coaching centres just like we did. If this angad is put in the sikh guru tally then the problem is , he can't be put under nanak as he is one of the tibet's only main heroes and sports in their stories. So, it's better to keep him in a separate slot mostly as a tibetian philosopher and the epitome of religion, just to ensure that in a way buddhists are the strongest in terms of inner strength. However , care has to be taken that he's a SYSTEM guru and not SYSTEM itself. So, while gurus can be hard to judge because of the cheatings we have got and the warnings we have since the beginning of time. And there is the famous lokokti " Doodh ka jala chaach ko bhi phoonk phoonk ke peeta hai " . (I said it not in regard of Sikh gurus but the other roadside gurus we get also including the teachers who don't teach properly.) Now hindu religion recommends keeping a guru but then he can be a man or a woman and first clashes with our parent's ideology , then blames in modern times are like sexism also. We hear of Ram Rahims and Asa rams all the time and there is a false air about their name everywhere. Moreover problem is that SYSTEM guru is Shamlat's patta and can move on it's command only. So while the Shamlat has millions and millions of members , their daydreaming can trigger the SYSTEM guru to attack anyone or question anyone anywhere for greater good of all. He is indeed the return of Akbar Badshah the next day. And you can yourself figure out the difference , kahan "subah ka bhoola" aur kahan SYSTEM guru. 2. There are lohar angads as well again not in preet's family.

System change can be done either by the owners or on Independence day but preet used that day to mass publish his documents with his family members as gurus, to challenge the case on him and was a major player that day. It's his right however as an independent. But there is a SYSTEM overseeing everything and it can't be changed. Then there is a third system which exists when all owners exit, raj , you know his name. Further , the Friendly System , raghu mahajan, the fourth of

its kind but first in IIT entrance, shashank a shiv gan. There can be many more types of system/System unknown to me.

10.0.1 Angad as Guru Angad Dev just like Arjun as Guru Arjun Dev and Ram as Guru Ram Das dispute with Deep Singh

As of now we have clear image of God since 18th September, 2025 . And we clearly know as of now that Angad in Ramayan became Guru Angad Dev and similarly Guru Arjun Dev was also actual Arjun from Mahabharats. Disputes arise when you people try to push Naana Ji to Arjun Dev (for own benefits later on) while he is a boundary line case and became Arjun also (Amongst possible very lowly rated ones) . Ram as Guru Ram Das has none or minimal complaints. But when we reach to Deep Singh, we see an altogether different politics, I mean always on my mini-map pappu people are trying to portray Raawan as Baba Deep Singh, considering that it would call for lesser resistance since NONE of the kalia is Deep Singh and even the top slot is booked by Duggal and duplicate is taken by Sonia Sood, where they want to push in their main pappu Raawan to hit the target here, however, you might recall Amit Shah (Sukhbeer Badal{actual}) complaining with the Deep Singh Chamkila song which clearly depicts Deep Singh as a “Shaheed” of Sikh Religion and completely calls of Raawan since he only got his picture clicked and didn’t do any of the shaheedi step, while duggal had actually done it. Angad Dev we clearly understand that Taayi want’s to book that slot (while she was punjabi teacher inderbir) and want’s to portray preet as Guru Angad Dev while we’ve clearly explained that preet has boundary concerns with Gandhi while actual Angad Dev has boundary concerns with Bhagat Singh. You can clearly see duggal and try to discuss this Deep Singh concern in front of him and he would make a face showing his concern, so those asking can check it there , i mean duggal’s face there.

Raawan actual mein Deep Singh bana nahi hai, sirf photo khinch-waa raha hai , considering ke koi kalia bana hi nahi hai deep singh, the photo which is in maximum circulation here. He thinks this as a positive gesture ke koi kalia nahi hai to wo claim karne ki koshish kar sakta hai and is trying to forward his case. Upar se wo keh raha hai ke Deep Singh jo banda hai wo Guru bhi nahi hai sikh religion ka, which he thinks is a positive support to his case forward. Wo as an example batana chahte hain ke jaise Tobu ..SC certificate tha, to wo log ad gaye

ke tera nahi hai, wo keh rahey ke wahin to hamne mark karna hota hai jahan tumhara kam ya no claim hai. To idhar yahi dekh ke ke duggal top pe hai isliye try kar rahey they ke ye to loot lein kam se kam (khas kar ke kyonke duggal wo wala krishan hota hai jiski dwarka doob gayi thi jarasandh(raawan) se ladayi mein) . Otherwise asli bhi hotey hain jinki dwarka nahi doobti aur jarasandh ko maar bhi dete hain jo(wo obviously kalia hi hotey hain, i think it should be clear by now).

Chapter 11

Mahabharat ki topmost copy mein Baba Sham Shakuni bana hai, thodi neeche waali copy mein simple mamaji shakuni bante hain (Sukhdev waale) , waise asli maamaji Sonia Sood (Ram Rahim) thi , wo kans banti hai usually. Iske naam ka matlab gadha hota hai aur yeh hota bhi hai africa mein gadha. Yeh poori duniya ki ladkiyon mein se maximum bhagaa ke le gaya tha isliye baaki saare male log girlfriend ke maamle mein thode kadke hotay hain. {10 income} [We have a setup and we can't fail any student, while pooja ne kaha hai ke isko aisey dangar doctor ke liye paas nahi karna, pichle cycle se fail ho ke ye aa gaya hai (poore cycle mein isse exam pass nahi hua), but due to constraints isko dangar doctor mein pass karna hi padega kyonke is segment mein ek hi person appear ho raha hai, e.g. meditation segment mein appear hi ek person ho raha hai, maama ji , wo keh rahey hain ke unhone radhaswami se seekha hai. Chapter 12

Religion

Based on what work my family member is involved in.

12.1 Buddhist

Moi...

12.2 Sikh

Papa (Malkit Singh) is a Sikh. I am myself a sikh also as I tied my turban also while kid and like punjabi songs also. [Minister : Narendra Modi]

12.3 Hindu

Mommy is a hindu, and I was myslef also in MI-2 movies having got 2nd rank amongst mommies. [Minister : Indira Gandhi / Arvind Kejriwal]

12.4 Christian

My kid Manas is a christian. I use English language as the greatest gift to Humanity in Education field particularly.

12.5 Islam

Wife pooja is Muslim, I use Mehr calculation from Islam (in Qoran) to ascertain how much of my family's bahus (e.g. Potra's wife / or be it 1000'th generation suraj etc's wife) have to be paid for work in my family. Some of the payments have been directly given in my presence e.g. Sonia Sood came to collect the Mehr in my marriage. This title i.e. Muslim is claimed by Krishan Lal Duggal, who is Yashaswi / Ekta Sood / Usha (kaamwali) these days , while I have already spent enough time and energy to explain it to Duggal that we don't have any other worthy candidate other than him to explain Islam , while he is confronting which the muslim juniors are not liking at all. For support we've provided him a junior associate "Hazrat Mohammad" Electrician in wake of if Duggal is still confronting and denying to explain on his own. However in case of a dispute in answer to any explanation in a question in Qoran , duggal's answer would precide over Hazrat Mohammad's .

12.6 Parsi

Manish is a parsi. He has opened a shop and takes huge payment. I also sit there and keep a purse also in my pocket mostly.

12.7 Jew

Neha is a jew. She makes comments on some people's performance. I also make comments on many people as well.

12.8 Zorastrian

Kairav is Gugga Jahir Peer. Similarly I have also disclosed that I am also Chetan Tatva. [Minister : Rahul Gandhi]

12.9 Supplimentary

Others

12.9.1 Programmer

Niraj Patel via portal nptel . While I am also a good and expert programmer.

12.9.2 Go-Rakshak

Sorabh and Mousi are go-rakshaks while I also have a channel I-Go where I guard my country's boundaries using many many games.

12.9.3 Genetic

Jean Claude Vann Damme , while I also killed Rawan in a single blow in front of Durga Mandir.

12.9.4 Harappan

Doctor Asha. She cures using medicines instead of the body residue jisko thikaane lagaane ke liye zyadatar doctors injection etc. dete hain. However she gave me Symbiotic also which is also similar to the previous line of doctors but I am really thankful to her that she has given me this great feature which is helpful to me in chatting directly on radio.

12.10 Jain

Check the 2012 movie. All who play worthy end up as Buddhist, and all who don't end up as Jain. Jain means they don't contribute at all for the world's benefit. However there are 4 shrutkiriti people who are even lower than the last jain Varsha Jain in overall work calculation. However even jains are claiming that they are also worthy and have learned from their worthy teacher (Manish Kalia {also known as Jai}) , but somehow he explained short-cut methods to them due to which their overall workload was drastically reduced but they are however coming lower in karma rankings, otherwise they say they are also doing good. IIT (IIT Delhi particularly) mein bahut jyada log Jain hotay hain...

12.11 Rajput

Ek Raj thi... Wo Rajinder Pal Kaur pe Rajguru thi, waise wo Raj Sass thi... Uske actor aage sonia sood nikle. Sonia Sood Rajput tha”matlab raj ka bachcha”. Yeh identify kyon karna pada???? pooch rahey hain... Wahi ke maine aajtak ek hi sardar dekha hai... apna baap, wo bilkul sharif/pappu insaan hai. Sardaron ke baare mein jaise kehte hain ke agar kisi ladki ko koi tang karne lagega to sardaar apni jaan gawaan ke bhi uski raksha karega. Par yeh kon hotay hain fir jo daaru peete hain aur sexual abuse ke bhi kai cases hain??? To yeh wahi sonia sood hi hai wo peeche chupp ke khel raha hai baap ke... Sonia Sood karma based caste rating mein creamy layer SC hai, aur bahut zyada mehnat kar ke general category mein last aayi hai. ...

Kuldeep Manak however levisly giggles up calling himself Rajput, but we’ve already explained ke wo bhagwaan build waala hoga agar Rajput kuch kaam karta hai aur wahi actual wehla waala sonia sood hi hoga agar kuch kaam nahi karta to..

12.12 Bhaapey

Baap ke peeche koi khelega to maa ke peeche khelne waale bhi dekha dekhi mein nikal hi aayeinge. Kuch logon ne Sorabh jo abhi naya paida hua hai usko funda de diya hai ke wo bhaapa hai, wo us cheez ko hi maan ke baitha hai. Raj Sass ne yeh bhaapey waala lock todne ke liye apne aap ko maha-bhaapa declare kar diya.

Otherwise Bhaapa hota Amritsar waala hi hai, Ghasim (Gaurav Salwan/Nawaz Sharif) to be particular jisse poocha gaya tha ke tu khande mein lun daal sakta hai kya aur usne daalne ki koshish ki thi... However, jo sikh Pakistan mein reh gaye hain even after Partition, they are doing good representation of Bhaapas and are worthy to be known as Heroes. { But it’s well known ke wo Bhagwaan build waale hotay hain jo bhi kuch kaam kareinge and not the actual Bhaapa jisme blame hai meaning Gaurav Salwan/Nawaz Sharif }

Chapter 13

Bhagwaan compared to Soul

To start with (with I as a person who has already written Vedas in simple language) , I mean as a kid you people might ask how to see Bhagwaan immediately in front of yourself, Yeah even as a Lallu Prasad Yadav's joke , you can turn on your TV / or better Computer / or even your smartphone and see the information being provided there, Yup right that's Bhagwaan live in front of yourself. Apart from these electronics medias , you can even visit a Gurudwara, and if you drink also then going to mandir etc. is better compared to Gurudwara {mandir is rated slightly lower compared to gurudwara even if it is Durga Mandir} . Other ratings(church/mosque/alphaclasses/guggamadi) we'll keep on as we go along in understanding the details. You can even read a book or many many books, that is clear and pure bhagwaan but you need to under that topic first to be able to understand what's written. e.g. I know Physics/ Chemistry/ Maths very well and am trying to learn Biology also, but say how is an accounts book important to me?? Well I first need to learn accounts theory first to be able to understand those books while practical i've already shown in my game and user accounts and have even written a book 8 years ago in this regard, but what this subject is I'll be able to understand only after reading and understanding the Accounts books e.g. NCERT / T.R. Jain etc. Apart from Books even notebooks also have bhagwaan also in the text written. So I've floated the feature scanner to mark the notebooks as to correct anything wrong written in them. I mean take one of my answer sheet ,

mark it yourself and provide it to the scanner, it will mark those people who appear for test in that exam. Apart from these there are many many recommended things e.g. when you are about to have a kid , you can read ramcharitmanas, If you want to clear an exam you should keep on studying, when you want to get married you or your parents should visit nearby temple regularly etc. and later when married you should visit gurudwaras(preferably historically significant etc. e.g. Nadha Sahib) also with family and even if your wife or you are some devi's roop then you can relish to visit these e.g. we visited Vaishodevi many times during my marriage while kid we are expecting will get marry gur sidhu vector build so he's recommended to visit accordingly {be it baglamukhi etc}.

13.1 Overall Appearance

Parmatma (Bhagwaan) appears like say a trachied you study in biology and soul as a 2mm spherical ball with coke concentrate inside and Risnia Shell outside. I mean if you say keep 3-4 jhingas they just look like parmatma (bhagwaan) but the jheenga's are a bit fat compared to bhagwaan as if ke wo jheenge kuch khaa ke baithey hain. (You might ask ke kya sirf jheenga bhagwaan hota hai??? Answer is NO, so understand properly and do the requisite experiments if you don't understand properly and please don't lambast vague values if you don't understand properly , that's a suggestion from my side.)

13.2 What does bhagwaan do???

I have clarified many times that whatever karma a person does , he get's that position when he becomes bhagwaan himself as mentioned in the shloka ("Yada Yada hi dharmasya glanir bhavti bharat") so this person e.g. Sheranwali Mata / Ram / Krishna / Shiv / Allah / Baba Nanak / Christ etc. get this post on the basis of their karma. So on karma front you'll again need to go to the karma rating that what topmost component of Bhagwaan (we already know it's GOD { Bhagat Singh }) did and similarly we wen't from top position downwards to the very end e.g. maami is risnia and there is a worldwide problem hazard ke risnia khaayega kon.

Chapter 14

Phases in Lifetime

14.1 Learning Phase

This is the period where you are offered amongst a variety of things whichever you want to learn. You end up learning only that which you know the best and receive the degree/diploma etc. of it, with proper certificates. e.g. I did IIT and have its Degree also.

14.2 Initial Job

Here you are not happy to have got such a menial job, even when you had learned in a big setup and was extremely talented compared to the job offered.

14.3 Prime Of Lifetime

Here you do the thing learned in Initial Job and do it for complete lifetime with maximum productivity and many many of your products available in market (with your own name). The reason of it is you were trained first for this requirement and maximum benefit drawn here. e.g. I had done extremely well at RN(first job) and later am productive in that learning with many of my products available with my own name. Actually I teach “System Design” now and give ratings to other students in their system designs, while this thing I had been doing all the time, here at this stage of life I know exactly that I do

this actually, coz I have mastered the tools and am productive to my maximum. Further , here I look at my lifespan and check that I was actually doing this all the time.

Other examples, e.g. Manas (these days) becomes Ganesh in his prime and Bhagat Singh becomes the Hero “Ram Charan” in his prime. They are also successfull there, where they do these things. I mean at these prime locations they actually knew what they were actually doing.

14.4 End of Lifetime

Here you are given another job which you don't want to do but had actually mastered in it. e.g. I am master in taking risnia.

14.5 Any Doubts

In case any people have doubt in this regard, I must clarify that this is the simple sequence set up by Bhagwaan for any person without fail, and all do this same sequence by Bhagwaan's Guarentee. Maximum productive phase is given in Media Data(about anyone). e.g. I will be mentioned as a book writer etc. which i do in the prime and other things IIT although remains with my name but while if you search about me on google it's plain book writing and no mention of risnia etc things or iit also (I mean it might be available in joke format.)

Chapter 15

Cards {How it goes??}

{ Basically, there is no difference between any card in terms of karma but while doing the bhavsagar traverse people change into different faces and it's good that they look different in other births, thanks to the cards feature. }

Meri team ko marne mein dikkat nahi hai kyonke ham log hero hain....

Queen ko chotta bada medium kisi bhi role mein dikkat nahi hai kyonke use zinda rehne ka haq hai....

Queen ke chamche ko sex opportunities milti hain isliye wo villain banne ko taiyaar hai.....

5. T-900 (Gaandiv Dhaari Arjun)

Abhi pichle janam ka nashaa utra nahi hai.....fir bhi thoda kaam karega aisa keh raha hai.....dekhte hain ek hit porn banayi hai.....ro dho ke gandiv dhari arjun ka role bhi de diya hai mummy ban ke.....to zyada ghaate mein nahi rahega.....SWIFT ka ek 30000 ka part isne SWIFT mein petrol khatam hone ke baad banaya hai.....aur uski payment aaj le raha hai(matlab mere se alto kharidne ke time lega).....

Wo Actors group mein sabse bada actor hai par usse sex karne pe marna padta hai.....is kaaran use sex opportunities kam hain.....doosra yeh bhi chakkar hai ke usse jalte bhi hain heroines group mein saare.....chalo jaise bhi hai.....heroine ka kaam mere se sex karna hai.....mere se sex karegi to aage sex milega.....otherwise nange.....to wahi

chakkar hai ke yeh pehli baar bani hai heroine ise itna pata nahi hai is cheez ke baare mein.....par haan heorine kar mere se sirf 4000 time hi sakti hai sex.....uske baad id over ho jaata hai.....yeh constraint hota hai is cheez mein.....

Acchchi hain Sambar Vada / Dosa wagairah khilaati hain har baar.....hamari team ki hain.....kabhi lagne nahi diya inhone ke kaamwaali thi yeh first.....baad mein principal bhi hongy shaayad kisi din rajesh minhas.....hyderabad mein inka role tha kaafi.....inke ghar hi ruka tha main pehle.....movie bhi bana chuki hain murder on the orient express.....wahi to chakkar pad raha hai inke step ke base pe aage ham bada prize de denge aage jaake gouri aur dhangadmajhi bilkul hi bhool jaayengi aur hamare tools hamare pe hi use kar dengi.....

39. Gurpreet

Receptionist.....starting pe.....par baad mein independent ho gayi hai.....kaafi zyada powers hain iske paas par fir bhi aur aage jaana chahti hai

40. Gouri

Ram se shaadi ho gayi hai.....reception pichle janam mein ki thi to ab aur aage jaane ka soch rahi hai aur kaafi had tak kaamyab bhi hai.....iska step zero se kam hai aur mere se bhi ladki bana ke sex kar chuki hai.....

Chapter 16

Sher Chalisa

Gems Bond Advertizement - Based on "Gems" , a kind of chocolate slicings, while those people (at Gems Public School) were littrally dealing in all kinds of gems and even diamonds. Maami was a special girl there, the school was inside nuclear micro build and required extremely hardlined built to get there.

Small age animals in movies (e.g. The Lion King/The Jungle Book/Haathi Mere Saathi etc.) All kind of Small age Dangars are accomodated there at small DAV(Dangar Andar Vaad.) Amandeep was a special topper there and he had a top selling shop also in 40 sector(Pawan) those days. While I went to his shop when chandigarh started and he was astonished to see the 100 Rupee Modern note while those days the prices were to be set to be extremely low coz of my parents having very less salaries.

Banjo Song - Again it's the same Arvind Chauhan/James Guy, I mean i meet him at lots of places, however he was a bit dull as nistandra plus his chemistry book as well but otherwise ok at other places, other ppl. also complaining his Ram Rahim role as well, while to me it's only appearing as a movie snippet. Lovina , you got it / also vaardaat waala kauwa ..nhmmm.

47 Ronin Movie - Black Dragon Karate Club , 37 Model . My role played by Papa while a side hero Manish played after my fight. Special thanks to Vivek Saini (Umesh Duggal) for the worthy kick while the reason was that I had left sher1.0 moving in dreams and it entered vivek saini during fight and that was a my own reflex kick which i got from front, I got up later and confronted him with a arm block(a type

of move in karate), You see kachra with a lame arm in Lagaan Movie and he's a spinner in cricket there , while you might have noticed that i use my left arm very little.

Jo Jeeta Wahi Sikandar - Army Recruiting at Olive Greens, for getting admitted to 37 model, while it was mandatory that they show their dress (e.g. in the morning assembly) which has to be neat and clean . Bhagat Singh played a special trainer there at my place in night. Recruitment to any kind of forces was dependent on what Dress Code any person had there, and must be within rules. I was looking for rich kindaa girl and from far checking convent girls in my thoughts , that's how the then swati jain(kiranjot) got into that movie, while the actual swati jain was in our class itself as pooja (the krisna koodewaali who was working in our house since we were very young.) While it seems that Parinita(Maami) was the Aaysha Julka there and had a car workshop centre which i wanted for to see there but i din't actually meet swati jain via 37 model, coz it was merely in thoughts and though we already had a car (4 choodiyan, Gall kar gi mainu pinch ni,Na Na hun ni sarna inch song.) . Why the movie is showing that i've actually met Swati Jain and that also in Gypsy, it seems that was probably due to some Sakshi Bhaav Actuality offered by Bhagwaan. I merely sat in a Gypsy while i got beaten up at Hyderabad and my parents were negotiating with military people there to get me released(However I must clarify that I was beaten by Mata ki Chowki People led by Krishan Lal Duggal and not by any kind of military people, those military people came later on from somewhere).

Young/Adolecent Animals - (again in movies like Lion King/Star Wars etc.) You might ask those aliens are also Dangars??? I am saying that there are one Humans and one Non Humans, So the Non-Human Might be an Alien or Animal, they are both non-human i mean. DAV College I mean.

Habibi Finak song - Arvind Chauhan Physics Institute.

The Matrix movie - I was extensively delving into all the Intermediate Classes Reading material to be able to develope matrices for later studying. I must assure that a thing is there when I myself make it, not before that, coz i'm some kind of special person it seems. So if you see scooters , it was built first , and then you see PAYTm these days it came after i built it but to be myself able to use the QR code , i am yet to get the Feedback while people who played with me the PAYTm in future are even nowadays showing me QR code payments while for me it will take lots of time to be able to use it.

Mohabbatein Movie - About Miranda House Visiting Kumaon Hostel , IIT Delhi for Formals(Dance Event), While I looked inside the mess room from outside, it was fully curtained. Later in the Night I had thoughts of Sonia Sood as well and yeah she's indeed a Ghost. (Shahrukh Khan played by Manas)

Enemy at the Gates movie 5 shot scene - at NCC , Battalion 7, Safdarjung Enclave

Blackia song (Rupinder Gandhi movie) - There was this Tobu (Actual name Todarmal) which had trapped James and I released him from that trap by making blackia a separate daemon out of the clutches of the dreaded monty. James was Shitij Bansal there but a bit shy in AOE, coz it was mostly Hostel level there and would require extensive workout to reach the benchmark levels.

Haryana Roadways by Fazilpuriya song - 37 model people had joined the Haryana Roadways on various posts.

Das kyon tere karke chadd dan jigree yaaran nu, jehde wardi agg wich naal khade ne saare Sippy Gill song - By Gaurav Salwan / His Collegemate at NIT as well Megha Mittal.

Bhagat Singh Movies - Actual Bhagat Singh taught Programming at Jolly's Center . He offered me job also (my first job/the reason why kiranjot didn't offer me a teaching job in chemistry-For PCM name sake). He had even taught me how to create Linked Lists. While these days however he's been replaced by one Piddu Guy(Ghasim) there who had earlier said that he can try to teach word but has no knowledge of C/C++ etc things. I mean this piddu guy is extremely dangerous according to my calculations.

This TV like thing will spoil the nation (Statement by Lalu) - It's possible that this Laalu Yadav's statement might have had an effect on teachers like shantanu sir who took away my computer for few days. Further in the dropped semester I studied TV repair etc at 36 sector , in a wake that only the design part of PCB's was shown at IIT and not the real low end chip repairs, I did a similar course on networks while it had the sequence showing while Subrat had it probably lower rated version since i didn't attend that class of his. Another course i was doing at Puncomm/PCL with usual age old story that there was a Manish Guy there looking like Emraan Hashmi and there was a priyanka airy and there was Mandeep Kaur Cheema(Priyanka Chopra{Real} / Maami {Spoiler}) and her mom as friend, but due to spoilers the things didn't work between us. I mean in IIT in the first week they showed me the complete Mechanical Engineering Shops in comparison to the PEC

show but when it came to the Real EE department , i think they had already lost the tempo by then and I had to check that part outside.

Pan Singh Tomar Movie - With Kauwa even offering Trainee job at Futures First Startup and later offering job in Findacco also. Pan , it was an AOE game, while i've quit playing lots lots ago since the earlier versions of the game no longer exist now and the present versions are very badly patched and boring. I mean i now even have a repo of win vs L_Clan_Chris / even guarding him with Briton Archers while he died to stop him getting hacked by Luca Gracia(Far Away Preet) in a gold game. 7 hardest ppl say is boring coz the hardest computers din't do much/6 hardest they were saying was good-Fast Pace.

James movie - James defeated me in Sling/Reverse Lock game while he was using an extensively difficult to fight AI Bhalchandra (Bhagwaan/Nitin Khanna/Naana) . Another place Bangaluru Pros also he was playing and Defeated Me and Rohit Kainth vs Him and Subrat Kar. Actually Rohit Kainth was waiting to have a drink at purple hayes and denied for a second game there. Other top players like kauwa and new guy were also standing there watching and they din't play , kauwa said you should have told us to play and also showed that the way you are towering him , it might work at iit but for pro players you need to tower near their gold/stone etc. resources for it to work. Further that version of game was also not 1.0 so it was taking a lot and lot of time to build tower compared to 1.0.

Air Wolf Series - Indian Air Force , BRD 13, via. my CBZ.

The Report Movie - My report about Hackings and the problem it's causing to few people like Bhagat Singh and how I and Papa (Bhagat Singh) fought the sinister dark lords which began with my reporting it and later a long and gruelsome war. What kid Aarav is unable to understand in this regard is that there is lots of public property of the people involved when somebody hacks in my data, which can be grave losses to the people whose data it was, that's the concern. Chotta Pondrak karta to fir bhi samajh aata par bada ho ke Allah bhi yahi karega then it's very negative review.

Taare Zameen Par Movie - My stay at Hydrabad and the Subsequent "System Failure". Program (Stars->Diamonds etc.) handed over to Preet.

The Day the Earth Stood Still Movie - How I came out safe from the Packet. Still looking for a duplicate while it seems I am myself the only one who can achieve this feat, while I have my kid (sher1.0) , to bring back whom I had gone to Hydrabad while my own papa (Bhagat Singh)

also came there to save me. It clearly was due to Bhagat Singh that i came back but I had some network intellegence also why i din't make any wrong moves there and played calculated/clever there. Sitafal was given there by Kairav, which got me enough energy to survive the little beating. Further it later also lasted for few days even after coming back that i came back into some sences and start doing something again.

No Data - IDS, Infotech - Yeah I had come out of the packet and exploring further. They are saying that it's the Jehdi Bullet Chalandi aa song, while it was at 38 Sector, outside RN Classes and not at IDS. So, kindly get it corrected.

Mere piya gaye ragoon etc. song coz the Zoomit owner name was vermani. they are the mohita etc and even bhagwaan as well that girl who are saying things about kalapani without much clarity what they want to say.

Rape , It's Your Fault AIB Video - By Kalki Kochlien / Mirza song Rann Bacha ke, tainu mere naalon bhra pyaare ho gaye. RN Classes

Dhobi ne Dhoban Dhamkai song - Washerman Ltd. by Ashish Sharma / Badu Sahib(It was expected that they would ask my parents to wash clothes but it is clearly beyond words what happend to them anywhere).

Entity - Vivek Saini tryin to cover Krishan Lal Duggals mistake, worrying he'd be shown as the 3 tit girl which would be even worst than chuccha's cow (many tit) and worked hard for many days at Kalia Technologies. And he was clear that the kauwa guy was also trying to get away with pooja girl while you were unaware of it that she's going to marry you later. Further i've already stated that Duggal gave me very minor beating there but the problem there was that one guy put his dick my mouth there, which has been later identified as Raavan. So, we have clearly stated that we will fight with the root cause of the incident while other's will get a lesser responsibility of it. The web name was livechandigarh.com

High End Physics Design videos (EE influenced Physics Lectures{Totally Top Notch}) - Kalia Institute

Chennai Express movie - Deepika Padukone has already stated that she started healing me as soon as she got the chance and whenever she got the chance, starting from very early in her youth, clear in her mentality that it's gonna be physical relation the mirza way and not too much talking especially the ranjha way clearly because she gets very little time to perform and prove her mettle. She has even stated that she was the sourcerous girl in He-Man which got ghasim to make the

suggestion that i can ask for myself in my radio broadcast as well , which got him that post while she had to relax with only the skeletor . I mean how does it matter to me, there was somebody he-man , he had a villain skeletor , so it doesn't affect me in any way whichever way it goes. But the problem why pooja lost the sourceros seat very early in her career was coz she had in the step starting requested me that she wants ghasim as her boyfriend, coz she was probably feeling underconfident coming alone, that's where ghasim grabbed that role from her there. Now later when she has changed from Pakistani-Allah(Aanam Aggarwal/Maanav) to French Allah (Slightly older Pooja after having completed the down boat step and now on it's tip) and now she has got good positive roles e.g. even Hanumaan as well. Since beginning she is doing Govinda roles but now most of the LOTR had her as Aragorn. That's where she is the most successfull. Angelina jolie she is doing non-strong kindaa in Eternals. And then there are the Julia Roberts/Malika Sherawat roles , even she has done most of those also, don't worry i've seen it , others notice it or not it's their problem. How does it matter to me that sher1.0 did Murder with pankaj(swati jain) as her heroine , main sher1.0 nahi hoon (for their clarity). Aise to hamari poori family murder movie banaati....to kisi ne kisi kisi ke saath banayi hogi....to main wahi dekhta rahoon ke kisne kiske saath banayi hai. Further there was a item song in Chennai Express movie by Priyanka Airy, udhar hi lag raha hai shaayad main pitaa hoon(beatn up).

Mujhse Shaadi Karogi Movie by Priyanka Chopra (Actual Mom) - Web World Experts / Mohali Academy . She said she was providing cover ke teri biwi bhaag na jaaye kahin so filling in at the empty day slots. {earlier as Chaudhary Sir at DAV{Khan and Chaudhary Author- gave me 58/60 in physical}/Air Force Datasheets she gave me for presentation at IIT/the Sweetest of Sham Giris{Stated "kami to kuch nahi hai"} making me confident regarding marriage.)

Beamer song - Alto K10 [Porsche (via. Asphalt 9)] specially bought then to impress wife and later for use by family as well.

Kuch Kariye , nas nas mera khole song by Shahrukh Khan - GreyB Research

Toilet ek prem katha movie - even bigger people(e.g. sher1.0) than Sharp Web Developers are working on this matter that there are some places where humans live but those places don't have enough/any toilets . It's been claimed by Suman Madam that around 2 lakh were demanded by Sharp Web Developers as a defamation claim that the

amit guy there was making for the harsh statement regarding no-toilet facility there. Further you might see some horrific scenes like the shooting down of a female slave in The Schindler's List movie because she was trying to excrete there.

Student of the Year Movie - Divya Sharma / Sunil Yadav / Sumit Diwan etc. usual crew but there was one Sehaj Guy(Pankaj Sood) who's name got me the hint which I stated in the Interview at Nadha Sahib regarding Nanak Shah Fakir Movie. First Spell of Alpha Classes , I mean while i was married also there. Chanchal Thakur had earlier told that she had got 90 in Science via Himachal Board which can be more difficult than other mark claims that' how she got in it seems(as Sahaj).

Dang Dang Song - Ethan Hunt (Raj Sass) wants to become Rajat Kalia, She has set up a centre to get the photomorphing(code) of his face / other nitty gritty stuff like Universe Creation codes etc. and has paid adequately for the stuff demanded according to her. I had gave her the Linked List Program as well to practice universe creation herself.

Mainu Tatti Aundi Payi Song - Job at Arvind Chauhan Institute online centre.

James Bond Movie Series - James gave me biryani as well as 60 bucks chicken with rotis etc as well. He had also fed me Big Celebrity Bakra(Puneet Duggal) also near the same time at Prem Restuarant.

Super 30 movie - Second Spell at - Alpha Classes

Rock Show Ophthalmic - Raksha Bandhan (Unpaid One for Pooja visiting in grave need) while my sisters always enjoyed it(I mean the Rakha Bandhan Occasions and the rock show as well) .

Tere layi sab rishte muka te , tu ta sohniye maape chaddate song - by Shorya (Kartar Singh Sarabha after release.) Knowledge about who's who, as of person's details clarification + support of modiji(papa) in 2024 election as Nitish Kumar.

And then there's me here, NOW.

Chapter 17

Meditation

17.1 Book 1

It starts with the very first mantra,

Ik Onkar Satnaam karta purakh nirbhau nirvair akal murat ajuni
saibham gurparsad.

It's also known as the mool mantar and is never found to fail. It's
for the nirgun roop of GOD.

{ Their are claims by people saying that Sat naam is different from
Satnam and Akaal is different from Akal , so we have written this verse
keeping their theory too and in place not disturbing the original verse.
However there is possibility that these claims are mere spoilers. The
user is suggested own descretion. }

Then their is the ram naam , ram is one of the many sagun roops
of god.

Sri ram jai ram jai siaram

Sri ram jai ram jai siaram

Sri ram jai ram jai siaram

The muslim verse namaz is being given here,

Alhamdullilaha-e-Rabbil Almin ur Rehman nir Rahim, Maliki Um-
madin, e-aagan aabdu, waiya Kanasteen, ehi dins siratal Mustakin.
Siratal Al-Azeena An amtalahim Gayaril Magdubi Alaheem, waladua
layeen. Aamin.

No mention of a Christian verse. But then the whole of English
based education is the gift of the west. It's the scientific approach.
However I do give a verse which is not even a verse but a rule. It is

God is One.

Apart from these three verses there is another method , in it you need to tighten your body and once completely tightened , you are set in meditation. It's exactly opposite of the other form which animals do while dying in which body is completely relaxed and let die to ease out the painful process of death. So everybody knows meditation in some form or the other , what matters is you should know which method is the most beneficial at a particular instant. For this method , the body is the mandir and you need to take proper care of it, is being said.

These methods end here. Other second line methods like spiritual text reading or tertiary methods like yoga , or mantra training from a trained guru are useful if the primary methods are not working. Some people say that tantric methods and mantras are also useful if these methods don't work. However I don't recommend them. Some short spiritual texts contain a prayer stanza in the beginning and a pungent tantric mantra in the end of the text and have become the custom these days. The last tantric mantra is for the training guru and the opening stanza is a short prayer of the devta whom one is worshipping.

Psychotropic drugs like Risperidone can offer you a lifetime of tough meditation but should be avoided as far as possible unless your parents suggest it be taken. Reason being they reduce the sexual power to a large extent while the main benefit of traditional meditation is increase in sexual power.

Ability to fly and Darshans of God are few benefits of meditation.

Feminine meditation can be slightly different, one of the prominent mantra being the Gayatri Mantra. I am not aware of the difference in this regards but my female family members guide that this mantra is useful for them although it didn't work for me.

Oum bhoor bhuwah swaha, tat savitur vareniyam, brago devasya dhimahi, dhiyo yonaam prachodaya, swaha.

{ However there are further ambiguity claims in the word Savitur and some claim it's sat vitur. }

17.2 Book 2 {Discussion on the role of Intent in Karma}

It is clear that Intent plays a great role in our karma, as to how clearly we justify between right and wrong. Every person has an inbuilt con-

nection to god to distinguish between a good deed and a bad deed. I would like to further enforce this bare truth that Good karma is calculated not on what you do but with what intentions you are doing it. So, say if a barber is shaving the heads of people say some brahmin, it doesn't mean that he is killing his father but it means he is doing his job to earn bread if the intentions are right. I would like to further elaborate with examples.

1. Intentions can be in percentage, accurately known to last but one bit decimal calculated upto infinity places, last bit left for everybody/everyone/all as unclaimed as calculating it can cause extreme calculation error. Anyways this is my calculation of the design of the world i understand, it might not be true as to what God actually does but i think God does it that way. Sham Giri says that the last bit is calculated on the basis of previous residual karma.

2. In old panchtantra stories we read stories like, a thief tried to hid himself in a sadhu's home when he was teaching students, now sadhu doesn't disclose to the people who were after that person that he is inside and saves his life. The story ends here as per panchtantra. But then as per my calculations that person/guy might be running after killing/rape/stealing and might be a sought out offender as per law and God also, but it depends on that Sadhu's judgement whether he did a good job in saving that person/guy. If he couldn't judge properly, it's an error as per me, however if he could properly figure out the person's present state , in that case he is right if the person was not an offender but was falsely projected.

3. Further India is a place where safai karamchari's are a major fraction of govt. jobs but then toilets are unclean and later even closed down . Believe me Shiv will never say close down potholes, if he is saying so, he is not real Shiv. In Duggal's function one guy who was claiming to be pandit was giving lecture that potholes are a problem. It seems saare bewde ek jagah ikatthe ho gaye hon. Tu tatti nahi karta iska matlab kya koi bhi tatti nahi karta?? Clearly the intentions are wrong.

17.3 Book 3 {Design Methodology}

Some people on the other hand keep thinking the whole day or their considerable time as to what way the world works. They can possibly come out with a design pattern as per their thinking how the world

can possibly work. In Sri Guru Granth Sahib , this type of meditation is named as "Vidya Vikham Veechar". Some however believe that vikham veechar is allright but before that those people should have some standard Vidya from trained teachers and most probably don't go to the meditation form but the Visible aspects in nature and their workings, as in the materialistic things available around us. But the problem in this kind of study is that there is a wide number of such objects available and there has to be kind of group of people who work on this particular aspect. Then there are the other kind who don't have say formal Vidya in the form of a standard institution but they are working in the same way, similar to the way say a meditating guy is doing it without a guru. These second kind of people make design of everything living it seems from the analysis. While on the other hand the standard institution trained work on non-living thing designs with one physics problem attached with it in some cases. Physics is attached in all cases but the difference comes whether it is idealistic or real-world. A good institution would have ideal case study as the first requirement. However many say that studying real world case is tougher to study but i personally think that real world case comes only when some environment variables are lacking correct initial values. Now we can say that a human is not an animal directly and not a non-living object also, but say a hybrid of the two but how much of which type is the question. An animal(or say a bird or fish) vs an object design can never be compared as animal was designed by non-entities and we know that except few special kind of animals most animals live in poor conditions. Freedom is lesser in their case but i have given them first on the basis of the emotions attached to animals. My son i've clearly instructed that if you want to study medical , fine , but clear both entrance exams and only design human body, not a squirrel or a rat for that matter. Think of your father who has struggled all life to get rid of his rat gene.

Monetary studies can add interest to your spare time but should be cautious that if you study it formally , that means you have to help in the world economy flow that it doesn't create bottlenecks but smoothly flows to the masses , that means you should not become a sahuakar however the name sahu is fine. An easy method is don't give any thing for later date payment (udhar) from your personal balance unless you are working for some registered bank or standard money negotiating institution with easy and properly reviewed terms and conditions of money collection. However for relatives this is possible

that you pay some amount in their hour of need. Suman madam in our known people can be seen as a special case, they were colleagues of mom, however it's possible that this method is coming from second line monetary study design but has a formal form in terms of bank loans and term payemnts which have a highly qualified technical guy to design any single case of money flow rules. I am simply oblecting to direct payment from personal balance as credit with say some interest conditions but i don't know whether it can come as something positive on a later date or not. If someone gives 50 bucks he should take back 50 bucks but that has never happened ever unless face to face transaction happens. We don't agree to interest on money from your personal account. However one sahu girl from my friend list has come via that method but after designing the whole formal interest system only, and certainly not by giving money on rent. Renting money is second line like the way we are struggling with the animals designs made by non-iitians. Probably they are doing it to study finance as they could not have proper institute teacher knowledge directly pouring under their belt and they are instead doing it practically. Monetory study is for masters from a reputed financial study institute after completing iit. A surplus. If you want to design in bank loans or finance, you can opt the tertiary qualification but after iit which is a bare minimum.

Chapter 18

Constitution

18.1 Fundamental Rights in “Constitution of India”

Introduction (Abstract)

12. In this Part, unless the context otherwise requires, “the State” includes the Government and Parliament of India and the Government and the Legislature of each of the States and all local or other authorities within the territory of India or under the control of the Government of India.

Medal for Sikhs in Tiranga (our tricolor Flag) . It does represent Valour presented by Sikhs in border wars but in modern times it means Christianity and English based Education or simply EDUCATION. Our fourth religion other than Hindu, Sikh, Muslim etc. We can say, that on the karma front , while saffron (meditation) and Nature (Food prosperity) stay on the outside , Milk revolution (Operation flood) and sanctity stay at the centre as White (Represented by Sikhs) while Education stays as the Blue Chakra which is a contribution of more of the rest of the world than India Alone. Asoka was the first of Sikhi's or was about to become one, so it is being called Ashok Chakra in old trend language.

However milk revolution doesn't mean that if you are in surplus of milk, you keep on putting it inside the chakra. Use other milk products

too.

India is a country of Rams but the Rams are of 4 colors and the Chakra represents the Sukhi Rams. One can be in pain when at a particular place he doesn't get to answer what he doesn't already know.

13. (1) All laws in force in the territory of India immediately before the commencement of this Constitution, in so far as they are inconsistent with the provisions of this Part, shall, to the extent of such inconsistency, be void.

(2) The State shall not make any law which takes away or abridges the rights conferred by this Part and any law made in contravention of this clause shall, to the extent of the contravention, be void.

(3) In this article, unless the context otherwise requires,—

(a) “law” includes any Ordinance, order, bye-law, rule, regulation, notification, custom or usage having in the territory of India the force of law;

(b) “laws in force” includes laws passed or made by a Legislature or other competent authority in the territory of India before the commencement of this Constitution and not previously repealed, notwithstanding that any such law or any part thereof may not be then in operation either at all or in particular areas. 1

Right to Equality (Abstract)

14. The State shall not deny to any person equality before the law or the equal protection of the laws within the territory of India.

15. (1) The State shall not discriminate against any citizen on grounds only of religion, race, caste, sex, place of birth or any of them.

(2) No citizen shall, on grounds only of religion, race, caste, sex, place of birth or any of them, be subject to any disability, liability, restriction or condition with regard to—

(a) access to shops, public restaurants, hotels and places of public entertainment; or

(b) the use of wells, tanks, bathing ghats, roads and places of public resort maintained wholly or partly out of State funds or dedicated to the use of the general public.

(3) Nothing in this article shall prevent the State from making any special provision for women and children.

16. (1) There shall be equality of opportunity for all citizens in matters relating to employment or appointment to any office under

the State.

(2) No citizen shall, on grounds only of religion, race, caste, sex, descent, place of birth, residence or any of them, be ineligible for, or discriminated against in respect of, any employment or office under the State.

(3) Nothing in this article shall prevent Parliament from making any law prescribing, in regard to a class or classes of employment or appointment to an office 1 [under the Government of, or any local or other authority within, a State or Union territory, any requirement as to residence within that State or Union territory] prior to such employment or appointment.

(4) Nothing in this article shall prevent the State from making any provision for the reservation of appointments or posts in favour of any backward class of citizens which, in the opinion of the State, is not adequately represented in the services under the State.

(5) Nothing in this article shall affect the operation of any law which provides that the incumbent of an office in connection with the affairs of any religious or denominational institution or any member of the governing body thereof shall be a person professing a particular religion or belonging to a particular denomination.

17. “Untouchability” is abolished and its practice in any form is forbidden. The enforcement of any disability arising out of “Untouchability” shall be an offence punishable in accordance with law.

{ This rule states that no person of lower caste can be discriminated on the basis of mere caste. i.e. If a person is denied a job even after proper qualification and rank just due to his being of lower caste is totally against the constitutional provisions. Further he cannot be denied to enter a place of worship or any public place just because of his caste strature. The practice of “Untouchability” was prevalent since old ages and the high caste society is still not ready to accept this provisions by the Indian Constitution and widespread in practice till date. The “Kanjari Jaat” amongst the Scheduled Castes is still unaware of these provisions due to illegalization of Prostitution in modern times and prefers to stay aloof from the rest of the Scheduled Caste community. While you can still see them in dance shows, they however are highly proactive in regard of caste and target other lower castes by claiming to be of higher caste themselves and saying derogatory caste statements for lower castes from high castes side themselves (in a way making mockery of the caste system and the way they think high castes would have spoken to lower castes, had there been no anti-caste discrimination

law). They say they have been denied of privileges and don't want to know about or think about the constitutional mandates moreover because one won't be able to see literacy in the dark groves of GP road or a truck dhabha's bartan cleaning girl. One movie "Highway" is a pictorial description of this social ill, presented in a candid way. || Thinking from the prostitute's side, one can say that though rampant in the past , modern times have made this profession illegal by law. Even pornography too is somewhat illegal and a girl having a porn video finds it difficult to survive in society due to our cultural values and thinking. However a prostitute finds it difficult to earn bread , low amenities and bad living, it's said that "Ram's nam" can even save a prostitute. But it's not due to any bad deeds or bad thinking that one can be dragged into this kind of cluches but due to bad luck one can say. ||} One of the short films on Income Tax benifits show that they find it beneficial.

In the past there was further secrement in lower castes and untouchability amongst lower castes was furhter practiced. i.e. a lower caste might furhter practice untouchability to other lower castes he thinks are lower to it. }

18. (1) No title, not being a military or academic distinction, shall be conferred by the State.

{ The word Shaheed is being misread at many places. }

(2) No citizen of India shall accept any title from any foreign State.

(3) No person who is not a citizen of India shall, while he holds any office of profit or trust under the State, accept without the consent of the President any title from any foreign State.

(4) No person holding any office of profit or trust under the State shall, without the consent of the President, accept any present, emolument, or office of any kind from or under any foreign State. Right to Freedom

19. (1) All citizens shall have the right—

(a) to freedom of speech and expression;

{

With due respect to this right which has been given to the religious authorities like Amritsar Printing Press, which has been publishing Gutkhas contaning this endnote mantra "Pawan Guru Pani " etc shlok by Udham Singh at the end of Japji Sahib Gutkha(printed at amritsar) and another version named Sukhmani Sahib which contains the verse "Brahmgyani aap nirankar" . Evidently the 10th Guru , Gobind Singh ji clearly stated that such abridged versions of Shri Guru Granth Sahib

not be circulated and that no dehdhari guru be taken as the guru except Guru Granth Sahib. So howcome these alter dehdhari guru mantra's which are very much tantric in nature found place in Gutkhas published at the deemed Amritsar press . Near one of my birth at the end of kalyug, I even found a complete new alter of Guru Granth Sahib named Met Granth and it had all tantric mantras and no pious verses as the Real Japji Sahib.

My point of conflict here is that Udham Singh is a hero of Amritsar, I might be forcefully made to bow before him but he is clearly not my hero. I don't recognize much of him in any respect. So why is a hero who simply is a hero of Amritsar is being portrayed in all religious texts being printed as Gutkha Japji Sahib Versions. The international version of Japji Sahib by "Ranjodh Singh" , Coleman/Oxford Press doesn't have that error.

Another such instance is the rescitation of Namaz verse. One of my friend earlier gave me "Bismillah" verse. He set no islamic traditional condition for resciting the verse. Evidently he is one of the best muslim guy i've ever met. Now his brother on the other hand gave me the Namaz verse but told that "Penis be washed" everytime i go to urine. He himself says he's a drunkard. Then there is a new worker in their shop who too again is a heavy drunkard, you can guess the consequences. Then mr. duggal who is a barber in the nearby to it shop , i was discussing with him that I am reading Quran on Internet. He started telling that I should shave my genitals. Duggal too is a habitual drunkard. Then before my beating in Hyderabad I asked for water from a muslim/musalman , he gave me water twice but told that I should not touch the glass with lips. When I returned home after the beating , my nani told that i should instead drink with lips as it is our customs. So , it is clear that the religion guidances don't put any mandates of this kind. I do wash my sexual organs with soap in the morning while taking bath and will keep on doing it till soap and water are available in life. But I want to stress that these fundamentalist methods are wrong. They take you towards Kattarwaad. Now duggal(barbar one) and his accomplice says they don't drink (maybe they mean they don't drink in daytime.) But their fundamentalist behaviour clearly shows that they do indeed. In hindu and sikh families, female might wash their sexual organs after urine, but for men it is neither a custom , nor considered a good deed if you keep on washing your sexual organ every time you pee. Infact it is considered shamefull as per hindu and sikh practices. So, clearly a misguided pressuring by

those drunkards's side. I myself drink 18 times in life, but that doesn't mean I lose the sense of right and wrong, while agar zyada hi nashe mein aaoge to aisa utpatang bologe. Maybe these people drink 1800 or 1800000 or more times , even the number 18 can be something else in their case. And then the big jumla of which even the bartenders are also supportive. We don't drink in day, we drink in night. Bhai din mein piyo ya raat mein, peete to ho.

27. No person shall be compelled to pay any taxes, the proceeds of which are specifically appropriated in payment of expenses for the promotion or maintenance of any particular religion or religious denomination.

28. No religious instruction shall be provided in any educational institution wholly maintained out of State funds.

Cultural and Educational Rights (Abstract)

29. (1) Any section of the citizens residing in the territory of India or any part thereof having a distinct language, script or culture of its own shall have the right to conserve the same.

(2) No citizen shall be denied admission into any educational institution maintained by the State or receiving aid out of State funds on grounds only of religion, race, caste, language or any of them.

30. All minorities, whether based on religion or language, shall have the right to establish and administer educational institutions of their choice.

31. Rep. by the Constitution.

Right to Constitutional Remedies (Abstract)

32. (1) The right to move the Supreme Court by appropriate proceedings for the enforcement of the rights conferred by this Part is guaranteed.

(2) The Supreme Court shall have power to issue directions or orders or writs, including writs in the nature of habeas corpus, mandamus, prohibition, quo warranto and certiorari, whichever may be appropriate, for the enforcement of any of the rights conferred by this Part.

33. Parliament may, by law, determine to what extent any of the rights conferred by this Part shall, in their application to,—

(a) the members of the Armed Forces; or

(b) the members of the Forces charged with the maintenance of public order; or

(c) persons employed in any bureau or other organisation established by the State for purposes of intelligence or counter intelligence; or

34. Notwithstanding anything in the foregoing provisions of this Part, Parliament may by law indemnify any person in the service of the Union or of a State or any other person in respect of any act done by him in connection with the maintenance or restoration of order in any area within the territory of India where martial law was in force or validate any sentence passed, punishment inflicted, forfeiture ordered or other act done under martial law in such area.

35. Notwithstanding anything in this Constitution,—

(a) Parliament shall have, and the Legislature of a State shall not have, power to make laws

{ Note: There is another article 35A which was earlier implemented during Congress rule but has been subsequently removed during the BJP govt. regime. It emphasised at providing special status to Kashmir due to the ongoing terrorist conflict. However the present govt. wants J&K to be treated as just any other state of Indian Republic enjoying all rights and serving duties as well. This article has led to a wave amongst staunch muslim groups who are demanding a separated Kashmir by trasfering bit by bit to Pakistan like the earlier Khalistan movement by Staunch Babbar Khalsa activists which was crushed in due time by police (although this statement might be an exaggeration and probably those people are just exploring to learn about Article 35A and not the staunch group indeed). A song by babbu maan in this regard says “Saada punjab maana saada kashmir oye, Ik inch chadna

ni kich ti lakir oye”. Near 1984 when the movement was in full swing it had massive funding and ammunition provisions from Pakistan. Indira Gandhi did a great role in clearing the Khalistan movement hurdle but had to lose her life at the hands of a misguided Khalistan supporter (there is a negative aspect of this, that Rajiv Gandhi started a massive campaign in Delhi to burn Sikhs alive to avenge the death of his mother and Sikhs have been repeatedly asking for punishing the guilty.) while Narendra Modi Govt. played a vital role in the article 35A amendments. Also on the diplomatic front India claims “Pakistani Occupied Kashmir”, the Portion of Kashmir on the left side of Kashmir as its own territory due to better communication in the UN and international support and empathy for India’s cause. So, on the international map, The whole of Kashmir is shown as part of India (though LoC is still drawn till date.) [On a funny note, it can be said that India keeps its complete head and doesn’t give left head to Pakistan and right head to China and survives just with the central portion [of the “head”]] . Punjab has seen a long peaceful era after 1984 anti-terrorist period, but voices favouring Khalistan emerge time and again. Continuing on further lines, one can say that the Naxalite movement in Orissa is also a bit of matter of concern.

Constitution of India was implemented on 26 January, 1950 and consequently India was declared a republic. However a new date 6 November, 1949 is being conferred as the constitution implementing date while in reality it is the date of formation of Opposition in the Parliament, no wonders, the main opposition party of India is in power and publishing most Govt. owned book versions. }
