Chapter 1

Essay on Sukhi Rams

Ramola Jevlin

sukhi ram rich hota hai
sukhi ram deta hai(dena ram hota hai)
sukhi ram kaam karta hai
sukhi ram baad mein earth bhi banata hai
sukhi ram dimaag ko padd nahi chadhata
sukhi ram hacking chori dakaiti bheek rape wagairah ka kaam bhi nahi karta.....murder to itna bada crime hai ke woh soch tak nahi sakte.....
sukhi ram ikhote hi kaam karte hain koi unke saath nahi hota kaam mein
sukhi ram ko koi bhi mantra de do woh poori taftesh karta hai ke kitna effective hai woh mantra apne pe try kar ke
sukhi ram ko mil ke fayda hota hai kyonke woh asli hota hai
sukhi ram ke upar koi nahi hota
sukhi ram na hi santri hota hai na hi mantri.....kyonke unke upar log hote hain.....par agar kisi khaas tarah ke bande ke upar koi na ho woh hota hai.....
sukhi ram duplex mein ground floor pe rehta hai.....par uske upar waale ghar mein rehne waale usse upar nahi hote.....
sukhi ram ke upar kaam na karne ka blame nahi hota kyonke earth woh banata hai par sky koi nahi banata.....halanke dukhi ram dhokhe se koshish karte hain bolne ki ke haan yeh hi kaam nahi karta.....
dukhi ram wehle reh ke aur padd chadha ke khud ko bhagwaan samajhne lagte hain.....par yeh baat sukhi ram ko kaafi baad mein pata chalti hai.....
sukhi ram ko theek time pe pata chal jaata hai ke haan sher hi hoon..... inko family mein kisi ki kami nahi khalti kyonke mostly saare saath hi hote hain poori cycle mein.....par with regular work
sukhi ram ko yeh sunna bardaasht nahi hota ke koi kaam nahi kiya.....woh pata chalte hi kaam karne ka tarika dhoondne mein lag jaata hai.....
yeh paladin hote hain
yeh general category ka hota hai , ise kabhi reservation se fayda nahi hua.....haan patton ka hack kiya hua iske profile ko ganda zaroor dikhata hai.....
yeh asur juni ke baad jo 16 devtaon ke naukar hote hain woh banta hai jinhone aage devta banna hota hai karam complete hone pe.....iska kaam aisa hai jaise ek jagah boli hui baat doosri jagah jaa ke bolna kyonke asli

mein sound travel nahi kar sakti khud(yogini).....matlab as message forwarders.....kuch devta kehte hain ke yeh asur juni mein chugli karte the isliye inhe yeh kaam mila tha par yeh baat sach hai ke nahi yeh nahi pata.....Sher wagairah is kaam ko jugni ke raat ko story suna ke sulane ke kaam se upar maante hain kyonke kuch log to sote khud hain bina story sunekuch sote hi nahi hain.....par baat har koi karta hai jo agar doosre planet pe boli gayi ho ya doosre universe mein to udhar se la ke sunani padti hai aur uska use hai aur yeh 16 yoginiyan mil ke akele hi yeh kaam kar deti hain.....halanke inhe dukh lagta hai agar boli huyi baat mein ram na bola gaya ho kyonke inka khud ka naam ram hota hai.....

daru party bhi yeh devtaon ke saath asur hone ke time se kar rahe hote hain(aur ab to unke nokar ho chuke hote hain).....inhe yeh benefit hota hai ke yeh devtaon ki tarah daaru ke addict nahi hote.....abhi halanke nahi peete nokar hote huye.....par jab devta ban ke peene lagenge to tanki full ho ke hi rukenge.....devta hainake inhe daaru pehle bolte khatam karne ke competition ke liye challenge kar rahe hote hain par inhe pata hota hai ke daaru peena koi chajj ka kaam nahi isliye zyada josh nahi dikhate usmein.....jis devta ne devta se hatna hota hai uski daaru se hi dikki huyi hoti hai ke ab daaru nahi pee paata hota kyonke andar SYSTEM sad gaya hota hai pee pee ke.....aur peeche laot pad jaati hai(demote ho jaata hai).....uske saath accident hua hota hai pehle ke daaru directly bani huyi garam hi pee gaya hota hai aur usse mara hota hai.....uske baad 2.0 juni mein chala jaata hai(human) aur bahut der tak daaru nahi pee paata.....human bhi aage demote hoke asur bante hain.....sirf asur daaru ki dosti ke kaaran devtaon ka nokar aur fir devta tak pahuch jaata hai(promote hota hai).....sukhi ram devtaon ka kaam karne aur daaru na peene waala nokar hota hai(matlab devta hi hota hai par abhi udhar chotta kaam kar raha hota hai jo kaam hota hai nake aasan pe baith ke "surgan machch payale" shuru hua hota hai abhi).....

Iske document poore ho rahe hote hain.....aur koi ilzaam nahi hota hai.....imaandaari se nokri mein ise prize bhi mila hota hai.....koi soch bhi nahi sakta ke yeh pehle asur tha itna achcha hota hai.....ab to waise devta hi hota hai chotte level ka.....par peena shuru nahi kiya hota unki tarah abhi.....kaam kar raha hota hai jabke.....iske paas property ka full document hota hai jabke aur teeno tarah ke devta(nobody gives guarantee to complete papers due to daaru) human(no regular work for buying property) aur asur(bank loan ongoing though the richest) ka document poora nahi hota is cheez mein.....devta pooch rahe hain ke promote kon karega inhe???? agar tu keh raha hai ke yeh asur se devta banenge.....answer hai ek spot khali ho gaya hoga uska jo garam daaru pee ke ek devta mara hoga....woh human ho gaya hoga to uske spot pe jisne woh peena hoga woh aayega aur end mein sabse chotta devta sukhi ram banega.....matlab daaru us devta ko demote karegi aur sukhi ram ko uska daaru naa peena promote karega.....

iska retirement function bada hota hai with big jagrata.....log door door se aate hain(batane ki zaroorat nahi hai ke veg khana hota hai daaru nahi hoti hai).....devta ka bhi retirement function hota hai par kaafi chotte size ka(with daaru party, devta pooch rahe hain ke jab daaru party huyi saath mein to chotta kaise.....wahi reason hai ke yeh essay sukhi rams par hai naake daaru ke gun ginane pe.....).....human ka retirement function nahi hota kyonke kaam nahi karta hota.....asur private business karta hota hai(unka retirement function hua tha ke nahi yeh dekhne tak main zinda nahi raha.....mere khayal mein nahi

hi hua hoga jab mera(human ka) nahi hua).....waise sawaal yeh bhi hai ke shaadi ke function mein cabray kiske hua tha jo dikhate hain bachelor's parties wagairah.....woh raaz aaj tak raaz hi hai ke kiske hua tha.....mere to nahi hua(human ke).....sukhi ram waise hi shareef hai.....shak asur pe jaa raha hai.....par maine apne aankhon se nahi dekhi na bachelor's party kabhi to pata nahi.....

yeh jungle mein sher hota hai(itian hota hai).....par order maintain karne ki koshish karta hai.....par hamne tv mein story dekhi hi hoti hai ke doosre ek darawane gande jaanwar ne sher ko hata ke khud control liya tha aisa sunne mein aaya hai.....woh story hamne dekhi bhi hai.....aise to devta(jugni)[suar] ka raaj hi hota hai jahan tak sultanatein dikhti hain chidi ke bachche kehte hain jinhe.....par yeh chidi ke group ka nokar hota hai par imaandaar hone ke kaaran yeh apna kaam karta rehta hai.....woh log daaru peete rehte hain.....matlab yeh samjho ke devtaon ka naam kaam karne waale devtaon ki wajah se hai.....jo sukhi ram hote hain.....par badi age ke devta suar ho jaate hain aur daaru peene ke alawa kuch nahi karte.....woh jaanwar kon tha pata nahi par shak human pe jaa raha hai kyonke woh human world mein Sher hota hai.....par daro nahi aisa nahi hai.....mujhe nahi pata woh jaanwar kon tha.....

is book ke upar asli sukhi ram ki photo lagi huyi hai.....naake ayodhya ram ki.....neele color ka hai.....ram hai.....par ayodhya waala nahi hai.....ayodhya ram devta hota hai.....matlab 16 mein se ek sukhi ram hi ayodhya ram banta hai baad mein par woh baad mein hota hai.....

devta se mujhe problem yeh hai ke woh daaru pee rahe hain aur jhooth bol rahe hain.....jabke naya bana devta theek hai(sukhi ram) jisne abhi daaru peeni shuru nahi ki hai.....devta ko swarg milta hai aur human aur asur ko narak.....human ko 17 lakh 28 hazaar saal aur asur ko 5 crore saal ka(devta ko 70000 saal ka swarg milta hai).....par fir bhi devtaon ne daaru ke asar mein ek bhi kaam theek nahi kiya mujhe yeh takleef hai..... crime sirf devta hi kar sakta hai par blame human khud le leta hai aur asur pe lag jaata hai.....kyonke inke vyawhaar ka tareeka ganda bol diya jaata hai.....jaise ab bachelor's party ka blame asur pe aaya..... jabke devta ke liye rape karna koi badi baat nahi hai.....par aajtak kabhi fansa nahidevta ke daaru peene ko vote human aur asur ki hi hoti hai.....devta utar jaayenge iska woh garam daaru ke alawa ek aur main reason bhi hai ke time aage badhta hai.....jis bhagwaan ka tum dekh ke aaye ho ke time ruka hua hai uska time nahi ruka hua.....woh to tum hi houski ghadi ka cell khatam hua hua hai.....matlab devta ko harana mere liye itna tough nahi tha kyonke unhone kaam nahi kiya hua tha.....daaru pee ke sex to ho sakta hai kaam nahi.....to sirf ek hi banda jeeta poore SYSTEM mein jisne kaam kiya hua tha.....Sukhi Ram.....par usne abhi thodi der mein wahi devta hi banna hai.....

teen judwa bhai they.....hamare saath hockey khelte the bada bhai shareer se bhi tagda tha aur padhai mein bhi theek tha.....doosra bhai thoda kam jeet paata tha aur padhai mein just paas ho paata tha.....teesra bhai sharir se bilkul hi haddi aur woh bhi tedhi medhi.....dimaag mein uske kuch bhi nahi tha aur paas nahi ho paaya zyada classes.....us kamzor bhai ne daaru pi aur yeh kaha ke daaru peene ke kaaran main jeeta(woh jatt tha aur hathyaar rakhne laga).....majhle bhai ne yeh baat ek baar maan li par baad mein use pata chala ke daaru se to narak milega.....jo tagda bhai tha use pehle se pata tha ke daaru se marte hain.....usne baad mein nahi pee.....us time to

narak kaata par baad mein woh jeeta par sirf itna hi ke woh kamzor waala bhai bana(par kahin aur).....majhla bhai bada bhai ban gaya aur kaam pe lag gaya.....kamzor bhai majhla bhai ban gaya aur abhi use woh daaru waala jhooth pakad paaye itna hoshiaar hona tha.....

devta ko apni maa sexy lagti hai.....uski family mein usually behn ya door ke rishtedaar nahi hote.....indirect relatives hote hain jo blood relations nahi hote.....woh usually apni sagi maaon ka parauhna hota hai.....woh maa ki gaali de deta hai.....usko pata hota hai ke use achchi maa tak nahi mili.....uski pairing sirf daaru ke saath hi hui hoti hai.....maa waali baat isne maani nahi hoti isliye saza bhi nahi mili abhi sirf ek hi ilzaam yeh maanta hai garam daaru pee ke dev joni chodne ka.....human ko behn sexy lagti hoti hai.....uski usually direct behn nahi hoti.....cousins hoti hain.....par pichle janam mein bhen bhi rahi hoti hai.....woh usually cousins ka parauhna hota hai.....woh behn ki gaali de deta hai.....devta ki agar behn ho to uska matlab hai woh human banne waala hai.....human ko achchi maa mil gayi hoti hai par achchi behn nahi mili hoti.....par woh maa ki gaali maan leta hai ya-han fans jaata hai aur thoda narak kaatta hai.....asur ki maa behn saath nahi rehti.....aur uspe usually ilzaam aata hai maa behn ko sexy tarike se dekhne ka jo jhootha hota hai.....woh maa behn ki gaali nahi deta.....usko dono hi achhi maa aur achchi behn mil gayi hoti hain.....woh behn waali gaali bhi maan leta hai aur ab uska trial de ke case end karne ka thaana leta hai jo ke bahut hi tough hota hai.....matlab crime pehle devta ne kiya.....fir human ne bhi thoda continue kiya.....asur pe trial end hui.....sukhi ram ki to saare taareef hi karte hain chahe koi bhi relation ho.....sukhi ram hi woh achchi maa aur behn hoti hai.....to main to hairan hoon ke tv pe asur ko ganda dikha rahe hain.....asur hi to saari kaynaat chalata hai itni galxies ghumane ka roti baane kakanak ke daane ugaane ka.....use pata nahi kaise bura keh rahe hain.....par uska pichla residual karam nahi khatam hua hota jo usne pehle paap kiye huye the.....asur juni mein woh kitna bhi theek kar le par sukhi ram banne se pehle use kaynaat chalani hi padti hai chahe kaise bhi.....us saari mehnat ka phal use dev juni mein jab shuru mein Sukhi Ram banta hai tabhi milta hai.....jo aaj tak ki duniya ki sabse badi promotion hai.....sukhi ram to pehle hi chotta devta hota hai.....woh to baad mein daaru na peene ke kaaran promote ho hi jayega.....devta ban jaayega daaru peene lag jaayega.....par i am really glad ke asur ko hamesha ke liye narak mein fansa nahi rehna padta.....matlab jaise red blood cell ya white blood cell asur hota hai.....to woh sirf 15 hi log hain aur saare insaanon ka saare jaanwaron ka jo khoon hota hai usmein pata nahi kitni juni laga ke woh khoon khoon ban paate hain sirf.....baaki aur bhi fluids hote hain body mein.....to bure kaise.....woh to hero hain.....par behnchod ke ilzaam ka trial de rahe hain sirf.....jo ke human tha.....par usne woh ilzaam nahi maana tha.....is trial ko kai baar de ke woh aage sukhi ram bante hain fir devta ban jaate hain.....dukh ki baat yeh hai ke unhe chotte chotte bematlab ke games mein villain dikha ke beizzati ki jaati hai unki aur jahan woh asli mein kaam kar rahe hain woh dikhaya nahi jaata.....bhagwaan keh raha tha ke unka residual karam khatam nahi hua hai jo unpe pichle ilzaam lage huye the isliye unhe villain maana hi theek tha.....par jahan hero dikha sakte ho wahan to dikhao.....bhagwaan bhi to devta jugni wagairah hi hain.....woh abhi itni badi cheez koi akela insaan kaise kar lega yeh maan nahi rahe hote kyonke woh khud hote hi physically weak hain.....aur asur ke asli kaam ko bata nahi

rahe hote kabhi.....kaam mein nuks nikalne ke liye ke yeh kaam bhi unhone kiya tha.....devta yeh keh rahe hain ke ham asal utar kar.....byaj utar kar.....property kharid kar.....ab free ho ke daaru pee rahe hain party kar rahe hain hamein bina bole karne di jaaye.....

devta ke paida hone pe ghar(undivided) mein ek maut hoti hai.....do devta ke paida hone pe ghar mein do maut hoti hai.....insaan ke paida hone pe padosi ya rishtedaar ki maut hoti hai.....human waise khud thoda mara hota hai ke narak kaatna hai.....asur ke paida hone pe koi maut nahi hoti par woh khud poora mara hota hai kyonke itna bada narak kaatna hai.....sukhi ram baakiyon ke len den ka bojh uthata hai ke kon paida hua kon mara.....

Ayodhya ram to hote hain bahut saare.....mere college ka dean tha(anshul kumar) bind waala.....hamare upar ke ghar ka padosi hai.....bind waala.....thode bekar baase type ke golgappe bechne waala hai(bina bind wala).....rahul agrawal tha(bind wala).....mera student shivam makan tha(bina bind wala).....aise hi chandigarh mein hi 50000 ayodhya ram honge akele.....bhagwan/devta/suar hota hai yeh baat to theek hai.....par daaru peete hain saare devta bina payment ke aur saath mein publicity bhi karte hain ke daaru achchi hai aur sabse upar hai.....yeh saala bakwas baat banayi huyi hai ke achche karam se swarg milta hai.....saalo charo pehar to tum daaru mein doobe hote hoswarg jaa ke bhi daaru mein doobe hote ho.....to swarg achche karam se nahi.....sirf devta ko hi milta hai.....matlab sirf Sukhi Ram ko swarg achche karam ki wajah se mila hai....buddhe devtaon ko nahi.....devta aise to humans ki tarah ghoom rahe hote hain par asli human ko halka narak milta hai.....devta pehle se hi sharir se weak hone ka bahana bana kar dev juni bata chuke hote hain chahe reh humans ke beech nakli humans ban kar hi rahe hote hain.....aur daaru pee ke ut patang baatein failaye jaa rahe hote hain.....to sirf ek hi baat hai jo Sukhi Ram ko baaki teeno(dev asur human) se alag karti hai ke woh daaru nahi peeta.....

kal(30 August 2019) ko duggal akshita borkar ka pair ban gaya.....garam daaru pee ke hi aaya hua tha.....muh bhi chitta pad gaya tha uska waise kale color ka hai ke narak kaatna padega.....machai usne waise hi khoob huyi thi wali wagairah ban ke.....akshita borkar human hai.....rishtedaar soojh rahe the use daaru pee ke poltu machane ke liyeyahan hamari family mein koi mil nahi raha tha.....ab kahan.....ab to kaam shurupehle apna karo.....baad mein kaynat bhi chalani hai.....pee ke bumm maarna devta ka kaam tha jo ab tumhara choot gaya hai.....

Devta ke andar ek kehri haddi hoti hai.....woh kubba hota hai with visible defect.....sports khelta hai par darne ki zaroorat nahi baaki bhi devta hi hote hain.....modern day mein sports physical strength pe nahi balke sports ke rules pe based hai isliye kamzor person bhi rules ke according khel ke hara sakta hai apne se strong opponent ko(asur sports khelta nahi zyada kyonke use woh koi challenging cheez nahi lagti).....devta ko is kehri haddi ke kaaran bahut hi dar lag raha hota hai narak se aur pata hota hai ke jeetna hi jeetna hai.....yeh haddi excretion se nikalti hai bahar....halanke sai ek standard kubba hai jo devtaon mein bhi sabse zyada kubba hota hai.....woh suar ka original gene hota hai.....uska naam devta lete hain...aise to chidi bhi kubba hoti hai par sai jaisa visible defect nahi hota usmein kyonke kubba chupaa ke rakhti hai....woh devtaon ki leader hoti hai.....devtaon ko shak pad gaya hota hai ya pata hota hai ke unki body asli nahi hai woh kaafi surgeries kara rahe hote hain theek

karane ke liye.....human ke andar seedhi backbone hoti hai.....uske kaaran use bhagwaan ko dhoond loonga aisa sochta hai(use nahi pata hota ke yeh jo devta saath mein reh rahe hain yeh hi bhagwaan hain) halanke suraj ke andar jo bhagwaan use bachane aaya hota hai woh devta nahi hote asur hota hai.....use padhne ka shonk bhi hota hai.....par first tedhi haddi waala(devta) hi aata hai badi classes mein.....use halka dar hota hai ke agar yeh haddi toot gayi to kya hoga.....use shak bhi hota hai ke kahin kubba mere ko hi to nahi keh rahe aur kubbe ki parody karte use aam dekh sakte ho.....asur ka body structure halanke same hi hota hai par use haddi tootne ka dar nahi hota.....uski body well built hoti hai aur chotti classes mein first bhi aaya hota hai.....Sukhi Ram ka full bone structure develop ho raha hota hai aur achcha structure hota hai uske andar bones ka kisi bhi time dekh lo.....aur kabhi bhi kahin bhi khel mein extra curricular mein padhai mein first nahi aaya hota par kaam mein itni taareef hui hoti hai ke baaki khush hote hain use halanke pata hota hai ke asli tareef hi ho rahi hai aur hawa mein nahi aata.....

devta ko jeetne ka bahut shonk hota hai.....sports mein padhai mein devta hi jeetta hai.....sadak pe mil jaaye to bhi devta ko harana almost namumkin hota hai agar try bhi kar lo.....halanke asur devta ko sadak pe kooda fenkne ke liye seedha pitai karta hai(hear the song asi pinda de haan munde rang kale baliye).....par devta baad mein asur aur human ko maar deta hai yeh badi baat nahi hai aur apni har beizzati ka gin gin ke badla leta hai.....asur ko to bahut hi buri tarah maar deta hai.....human bhi jitna pakad mein aata hai maar diya jaata hai.....asur ko devta kamzor hai yeh to pata hota hai.....par hathiyaar nikaal leta hai.....daaru peene ka challenge kar raha hai yeh baatein samajh nahi aa rahi hoti.....par marne se pehle asur ko bhi pata chal jaata hai ke yeh log jugni wagairah ban ke baithe hain(sher se sex kar ke, organ wagairah transplant kara ke, starting with chori of a good thing from his house) aur maseet mein maar denge bahut buri tarah.....human asur se sadak pe jeet jaata hai aur thoda kooda woh bhi failata hai.....sport mein woh koshish karta hai par dekh ke pata chal jaata hai ke yeh kubbe saale jeete jaa rahe hain.....well built maze ke liye khel rahe hain.....woh khelne ki koshish to kare par na hi kehra hai na hi strong hai.....isliye baad mein hat hi jaata hai.....padhai halanke saari zindagi karta rehta hai.....human ko poori zindagi yakeen hota hai ke woh to winner hai par baad mein pata chalta hai ke woh average case hai.....na hi full strong aur na hi maarne waala.....asur pe behnchodi ka ilzaam laga tha ke usne maan liya tha yeh nahi pata.....par case woh wahi lad raha hota hai.....use bahut saare levels pe yeh case ladna hota hai aur human bhi uski team mein nahi samajhta woh.....chahe ek hi family mein hote hain.....asur ka naam karamjeet hota hai.....kyonke uska karam maximum hota hai.....sukhi ram daaru nahi peeta hota isliye aise winner hota hai.....aur baaki teeno se alag hota hai.....

asur dono devta aur human ko apne bachche maanta hai.....human ko thoda achche bachche aur devta ko thode gande bachche.....par use pata hota hai ke duniya humans ne design ki hai aur unhone bhi loota hi hai use....devta to dushman hain hi kyonke jeette woh hain.....human devta ko apna ganda bachcha maanta hai.....asur ki shakal use SYSTEM slider pe dikh nahi rahi hoti jab tak use apne narak mein jaane ka nahi pata chalta.....asur ko kaam woh assign kar deta hai for greater good ke jaa bhai tu hi narak kaat le.....asuron se devta bhi isi liye jeete hote hain ke humans ne design mein option hi nahi hoti ke asur ko jitaya jaa sake(kyonke residual karam ka spoken clause usmein ad

raha tha aur humans ko kaam start karne se pehle hi dar lag raha tha ke haan saare hi narak mein jaayen yeh theek nahi.....ek juni honi chahiye jo rest kar sake otherwise duniya mein koi hope nahi hogi ke kabhi sukh milega).....aur jo dimaag mein game khel raha hota hai human usmein bhi asur pe bahut khatarnaak to nahi par kaafi khatarnaak restrictions lag rahi hoti hain jo use padhai jaa rahi hoti hain.....par halanke woh padhai banayi devta ne hi hoti hai jismein restrictions hoti hain.....mujhe nahi pata yeh itni advanced padhai banayi kisne hai.....mere khayal mein devta ne hi banayi hai kyonke woh hi itni umar tak zinda rehta hai.....baaki to pehle hi mar jaate hain..ar chotti classes mein achche hote hain.....par chakkar hai....padhai teeno ne mil ke banayi hai....kyonke refrigerator ka compressor padd maar raha hota hai yeh saaf pata chal raha hota hai theory mein.....to devta khud kyon likhega ke woh jab refrigerator ka compressor tha to padd maare the.....woh to yeh baat batayega hi nahi.....devta ki family mein door ke rishtedar hi hote hain uski maa ke alawa aur unmein bhi maame aur bhua ki families hoti hain jo human asur sukh ram waali ho sakti hain wagairah.....baaki uske bahut door ke rishtedaar hote hain woh devta ki family ho sakte hain aur unhi ke theek rehne ki dua devta maangta hai.....sukhi ram ko khud ki bhi tension nahi hoti aur bachche bhi kaam pe lag gaye hain yeh sukh hota hai.....

devta ke liye jeetna ek necessity hoti hai par jeetne se farak kya pad raha hai woh pata nahi hota na hi human ko na hi asur ko aur na hi sukh ram ko.....par devta khud keh rahe hain ke agar 3rd aa jaayen to mar jaate hainpar wahan asuruon aur humans ko dekho jinke liye 3rd aana bahut badi baat hoti hai.....sukhi ram to bilkul hi neeche hota hai.....usne average abhi cross nahi kar ke dekha hota kabhi.....par devta keh raha hai ke 3rd aane se farak pad raha hai.....matlab woh competion bhi aise laga raha hota hai ke chips ka packet kon pehle khaye....aur woh bhi bachcha ho ke apne human parents se.....matlab obvious baat hai bada banda jaldi kha sakta hai par woh to tere ko jeetne de raha hai ke chalo bachcha jeet jaaye.....to usmein jeet haar ka kya farak.....yeh thoda hoti hai jeet haar.....par asli mein woh dono ko maar bhi deta hai na asur aur human ko.....ke agar tum jeet sakte the to jeet jaate na maarne dete jab pehle se pata tha ke main maar doonga tumhe.....par sukh ram ko kharonch tak nahi aati..... mera jo previous dev janam tha halanke usmein main swarg ki tarah ke moksh mein hi gaya tha sirf.....aur wahan sirf gaye ka doodh hi milta tha jo peena mere liye ab as human namumkin hi hai.....uske alawa shaayad swargon mein bhi gaya tha jahan cheete khulle ghoomte the aur gharon mein paale hote the.....yeh janam mujhe dikh gaye kyonke main just next juni hoon usse.....par ab narak ki condition hai mere liye halki (as human).....par un devta waale janmon mein mere ko pata nahi tha ke itna bura hoon.....sher ki aawaz sunti thi par uska bhi pata nahi tha kon tha.....khayalon mein attack kiya tha ke nahi pata nahi.....asli mein devta crime kar raha hai aur woh crime sapne se ya doosri transmissions se human se bhi karwa raha hai.....aur ilzaam iska asur pe lag raha hai ke usne kiya.....par devta ke liye alag meaning hain in cheezon ke.....ke koi girlfriend nahi thi.....ghoomne gaya to ladki pasand aa gayi.....sadak pe hi sex kar liya woh raazi thi uske liye.....aur story end ho gayi..... rape kar liya to doosra crime bhi koi itna mushkil nahi par beauty is cheez ki ke ilzaam human aur asur pe aayega devta pe khud pe nahi.....saare swarg uske liye hain.....jahan woh apne bahut door door ke unhi 16 rishtedaaron ke saath rehta hota hai.....

sabse intersting baat.....butcher , saaki , kanjar, jamadaar.....dev yoniyan hain.....woh keh rahe hain ke jab asur aur human padhane lag sakte hain to ham yeh chotta kaam kyon nahi kar sakte.....sukhi ram bhi padhata hi hai.....matlab chotta kaam karne se devtaon ke andar internal rank inka chotta ho jaata hai ke chotta kaam karte the.....par rehte devta hi hain.....jabke books mein yeh dekhne ko milta hai geeta wagairah ke versions mein ke chicken banane se udhar parlok mein yamon ne tadpaya.....saale bana to devta rahe hain unhe tadpaya kya yamon ne.....halanke human ko SYSTEM design ka credit milta hai par usko sirf samajh aaya hota hai design.....asur ne earth bhi bana di hoti hai(ghode ne baad mein thodi editing ki thi woh human hai par credit asur ka hi hai kyonke usne design seekha hai aur kar sakta hai).....aur design banana seekha asur ne hi hota hai par abhi guidance nahi mili hoti ke banaye kya sirf earth bana ke chup ho jaata hai.....sukhi ram design poora karta hai akele hi jo bhi parampurush ya choti moti cheezein hoti hain design mein.....par bahut tough hota hai asur ke liye sukhi ram ke designs clear karna narak mein.....halanke testing ke liye fir human ke paas hi aa jaata hai aur woh chala ke dekhta hai ke theek chal raha hai.....devta ne design mein earth tedhi kar di hoti hai hack kar ke 30 degrees sukhi ram ke area mein jisse sukhi ram ko nuksaan nahi hota balke space mein chalne mein interuniverse chalne mein madad hi milti hai par agar gir jaaye(slip ho jaaye) to bahut chot lagti hai.....human ne is error ka bhi kuch nahi kiya kyonke earth asli mein hi 30 degrees inclined hai uski axis aisa sukhi ram ne book mein bhi dikha diya hai aur uske students bhi bol ke gaye hain.....

human ne apni saari statements written mein di hoti hain aur SYSTEM design mein yeh ek achchi cheez hai ke written statement ka weight devtaon ki boli huyi statement se zyada hai.....aur woh bhi computer written na ke hand written.....devta abhi thoda thoda hand written report seekh rahe hain.....written statement ki counter statement nahi banayi jaa sakti par english mein di huyi statement zyada weight ki hai aisa kai log bol ke gaye hain.....halanke boli huyi statement ki(devta bol ke hi statement dete hain sirf) counter statement banayi jaa sakti hai par ikka dukka statements hain oral bhi jinki counter statement nahi hai written mein.....jaise upar pehle bataya hai with example.....

sukhi ram actually saari families ka blood relation the.....chahe dev hon chahe asur hon chahe human.....to dena to koi bhi nahi chahta tha shuru se hi unhe winner ki post par end mein teeno ne mil kar use hi winner maana.....kyonke baakiyon ko baaki logon ki vote nahi thi.....devta dukhi the.....asur narak kaat rahe the.....human kisi side nahi lag rahe the.....sirf sukhi ram hi aisa tha jo apne hi design mein devta ban ke swarg narak ka mixture kaat raha tha.....usmein dukh nahi tha.....par kaam ki responsibility thi aur bahut mehnat lagti thi par na hi takleef hoti thi narak ki na hi dukhi hona padta tha ke kuch nahi kar rahe.....aur daaru na peena to sabse bada factor tha.....matlab usne aage devta banna hai woh uski win ka raaz nahi tha na hi ke pehle kaam kar ke aaya hai itna.....woh abhi kya tha woh win thi.....ke sood + asal utar chuka hai.....property ban rahi hai ya ban chuki hai.....aur aage pata nahi kab se peene ka kaam karna hai par abhi nahi hai woh kaam.....world ka design poora usne banaya hai matlab ek universe ko chodd ke jo asur aur human ne mil ke banaya tha (aur devta ne kharab kiya tha agar yeh baat khal rahi ho ke devta nahi likha beech mein).....usne saara woh

reports mein mare kaise yeh to achcha tha ke saari readings saath saath kaagaz pe likh rahe the jisse unka bhi weight tha.....uska answer yeh hai ke written report banana human ne seekha hua hai tum seekh rahe the.....yeh baat tumhe baad mein pata chalegi ke jaise tum boli huyi value ek baar mein theek bolne ka sochte ho.....usi tarah written report bhi ek baar mein hi theek likhni hoti hai.....baad mein change karne se weight share ho jaata hai.....tum saale SYSTEM devices mein jahan value change karne se asli mein mar jaayenge wahan change kar rahe ho.....hamare woh device hain hamne aajtak nahi chedde.....ham to dekh rahe hain yeh ud bilaw ki harkatein.....par karen kya.....ke yeh tedhi haddi ka kubba hagge jaa raha hai aur maar bhi dega.....mere ko beizati lagegi ke kubbe ko jawaab doon asur to kabhi dega hi nahi.....sukhi ram pata nahi kaise tumh logon se baat bhi karne ka maan gaya ke inki reports check karun.....woh udhar swarg mein nokar tha shaayad isiliye woh tumhare close tha.....matlab yeh badbudaar chutiye jinse baat karna bhi main beizati samajh raha hoon ab.....yeh bheekh maangne ka moka mile mujhe woh badi cheez ho mere liye aise din dikha denge.....aur pehle hi kar chuke hain yeh cheez mere ko inke baare mein pata chalne se bhi pehle.....asur ko kabhi pata hi nahi chala ke ke yeh saala chudakkad keni daaru ki isne maara hai ke bhai aur maa ne aur kab maar gaye wahi pata nahi chala.....yeh cheez main chutiyaapa samajhta hoon aur asur bhi samajhta hoga ke yeh saale itne kam akal ke log the ke inhone asli mein maar diya tha.....to ham hasein ke royen kya karen pata nahi.....apni turn aane ki wait karte hain jab aayegi tab aayegi.....

Yeh poori baat 2 line mein samjha di gayi hai.....ke guru jinha de paddne chele wi tarkau.....te guru jinha de tappne chele jaan chaddap.....iska matlab hai sukhi ram padhta tha aur padd bhi maarta tha devta woh padd they shaayad turquise color ka.....human aur asur to aise hi khatam ho gaye hain is devta ke bole huye line mein ke human ne 17 lakh 28 hazaar saal ka narak kaata tha aur asur ne to chaddap 5 crore saal ka narak kaata tha.....asur ne khud ko bhagwaan bol diya tha pehle anjaane mein aur ant samay pe teeno ko pata chal gaya tha ke haan yeh hi bhagwaan hai kyonke isne bola hai.....par use kaam bhi karna pada tha jo bhagwaan ka kaam hai kaynaat chalane ka.....devta hack kar ke jugni ki post pe baithe the to unhe pata bhi nahi tha kya kar rahe hain daaru ke nashe mein aur woh kotwal ki post thi na ke bhagwaan ki.....usne dekha tha ke dono kuch keh nahi rahe aur mar diye jaa sakte hain yeh soch kar maar diya tha dono human aur asur ko khud ko bhagwan samajh kar.....upar se pahadon mein yeh hi sikhaya gaya tha ke maar do.....jabke human punjabi tha aur asur jatt.....to unhone is maarne waali baat ko nahi maana tha par human chotti jaat ka hone ke kaaran parody zaroor kar ke dikhata tha ke devta kaise maar rahe hain.....aise to devta ne bhi yeh baat maan li thi asur ko bhagwaan maanne waali kyonke devta ka baap jo uske paida hone pe mara tha woh asur tha.....jabke jo tv pe serial aate hain asuron ko bura dikhane waale woh pata nahi kis ne banaye hain.....mujhe nahi pata woh itne gande serial kisne banaye hain.....woh shaayad sukhi ram ki guidance mein bane hain.....human bhi jab nashe mein aaya tha to use samjhana mushkil tha ke tu nahi hai bhagwaan devta ka to aur bhi mushkil tha aur mere khayal mein woh andhere mein hi jiya tha kyonke uska nasha hi nahi utra tha aur use theek se human asur aur devta jin serialon mein woh saari zindagi kaam karta raha woh farak nahi pata chala end tak.....matlab saale hamein human asur devta ka farak nikal ke koi fayda

nahi hai par ham nikal rahe hain farak kyonke tumhare serial aate the aise utpatang aur tumhe khud ko farak pata nahi hai.....

agar aap devta hain aur yeh samajhte hain ke devta bahut mahaan hote hain to biju khote kon tha yeh pata kar lijiye pehle.....woh aapka baap tha jo aapke paida hote hi mara tha usne aapke hisse ka naa kiya hua kaam kiya tha.....asur tha.....human at least apna kaam to kar hi leta hai.....aur na hi daaru peeta(shuru ki hoti hai abhi sirf) hai na hi wela baithta(usko dukh lagta hota hai ke wela bol rahe hain) hai aur na hi kaynaat chala paata hai(asur(bhagwaan) chala raha hota hai).....halanke sai alag hota hai devtaon mein bhi aur uspe pehle baap ka marna fir bete ka marna end ho jaata hai.....aur apni hi family mein sex change kar ke woh dobara paida ho jaata hai(thudhau kehte hain jise, pair nahi hota, uspe aake ladka ladki mein farak khatam ho jaata hai baaki devta jis cheez ko bahut der se try kar rahe hote hain,bisexual).....devta sai ka naam lete hain.....halanke devta agar injection se bachcha paida karwaye to nahi marta(woh bachcha nahi marta) kyonke asur nahi hota.....human ke tatte ka injection matlab(usmein benefit yeh hoga ke ek to devta hi paida hoga asur nahi takleef human ko hogi ke tatte mein injection laga aur jab woh bachcha paida ho jaayega to marega human[uska asli baap]).....saico ka matlab sai and company hi hota ha(matlab devta)i kyonke usne khoon kar diye the.....halanke woh human pe ilzaam lagane ki koshish kar rahe hote hain ke yeh hamse thoda hi zyada takda hai ise ham group mein gher ke manwa sakte hain ke yeh saico hai.....par jab human sai ka naam hi nahi leta use maanta hi nahi to woh saico nahi hota

matlab bhagwaan to asur hi tha iske alawa yeh guru the aad guru(paddne) jugaad guru(tarkau) satguru(tappne) aur guru movie sai pe bani thi.....

aise dekha jaaye to human ka to kuch nahi luta kyonke usne khud ki responsibility hi li.....sukhi ram ka karam bhi kyonke narak waala nahi hai to usne bhi khud ki hi responsibility li ek kisam se.....asur poori tarah lut gaya kyonke usko ek sharaabi ki responsibility uthani padi jo uska bachcha tha.....devta(pahadi) ne maara to hai aise par mara sirf asur(jatt) hi hai do baar.....uska baap matlab.....

sai ka mujhe pata nahi use dhaya kisne tha.....kyonke woh dono side pe dhaha dhahi kar raha tha(dudhau hta).....devtaon ki team mein hi tha par unse superior tha kyonke devtaon ne woh cheez banne ki koshish ki thi sirf.....use devtaon ne hi dhaya tha jab use ekta se 2nd position de di thi(uski side pe khade rehne ka kaam).....aur uska head nokar bana diya tha.....ekta(shekhar dutt ki pair) ko bahut hi zyada takleef thi agar head na banate use.....usne pehle hi saare devtaon ko bola hua tha ke head mere ko hi banana hai.....matlab sai sirf isi baat se deh gaya tha ke use 2nd position mili thi.....bisexual waali baat se use itna farak nahi pada tha(woh dono tarah kar sakta tha kyonke.....).....

movies mein saala yeh dikha rahe hain humans asuron se lad rahe the usmein devta humans ki side aa gaye the ladne.....bakwaas story i would say.....asur human ka bhai aur devta ka baap beta hai usse ladenge hi kyon.....par asliyat to yeh hai ke asur mare hain.....sukhi raam saala.....yeh story hai kya??? par sukhi ram akela hi devta human aur bhagwaan tha.....usko exact baat pata thi shaayad ke hua kya hai.....isliye to ek nahi saari movies mein yahi dikhayi hai baat sirf.....

devta keh raha haisaala pehle baap mar gaya fir partner mar

gaya.....fir beta mar gaya.....saare mare jaa rahe hain main mar nahi raha maar kon raha hai pata nahi.....asli baat yeh hai ke woh khud hi maar raha hai kyonke woh log asur the.....aise hi human sochta raha ke paisa lut gaya.....asli mein woh usne khud hi kha liya tha kyonke khane peene ka shonk tha.....asli mein to asur bhi koi ghaate mein nahi raha usko hi to abhi sukhi ram ki post milni hai.....chadhte suraj ko har koi salaam karta hai..... to teen bhai nahi hain do hi bhai hain human aur asur.....human ka bachcha sukhi ram hai aur asur ka bachcha devta.....human ne aise to apna hi khaya hai sukhi ram ne bhi apna khaya hai par unhe shak tha ke chori ho gaya hai ya human kha gaya hai aur wahi baat hai ke chori hua hua hi human ne khaya hai.....devta ka baap asur mara hua tha woh saari zindagai khojta raha ke kisne maara hai aur usne yeh conclude kar ke shaanti paayi ke kisi doosre devta ne uske baap ko maara tha naake usne khud.....usne khud kisi aur asur ko maara tha.....jo unke devtaon ke group mein door ka relative tha aur itna close nahi tha.....halanke unka wahi 16 devtaon ka group hi hai shuru se.....halanke maariage videos mein aapne dekha hoga ke devta bahut muh khol khol ke kha raha hota hai aur human bhi kha raha hota hai.....woh video asur ne banaya hota hai.....aur maarne ka ilzaam bhi devta human pe lagane se nahi hatta ke maine to ek asur maar ke khaya hi hai par tune bhi thoda khaya hai usmein se.....halanke mujhe umeed hai ke jaise main backout ho gaya hoon paise lootne waali baat se waise woh log bhi backout zaroor hongee mere khane waali baat se.....kyonke apna apna ghar hai.....devta ne hi ek asur ko maar ke bech ke khaya tha yeh saari story ka saar hai par woh uska baap nahi tha doosre devta door ke ka baap tha un 16 ke group mein se.....waise usne khaya nahi tha daaru pi thi uski.....aur daaru ko glorify karne waale gaane bhi gaaye the..... devta pooch rahe hain kab maara tha.....abey devasur sangram mein hi maara tha jis asur ko woh tumhara hi family member tha idhar aur idhar mara tha.....

devtaon ka semen daaru zyada peene ke kaaran sookh gaya tha par asuron ka bahut hi zyada tha.....halanke devta ilzaam laga rahe the ke devtaon mein daaru zyada peene ke kaaran jelly zyada hai sukhi ram mein kam hai.....is kaaran unhone human ke tatte mein se injection le ke uski leg mein jump maar li thi jis kaaran asur ki leg khatam hui thi aur woh narak mein gaye the.....woh yeh plan kar rahe the ke human leg mein kam semen waale ham jaayenge to woh khatam ho jaayegi.....aur unki main leg bach jaayegi.....

asur aur devta dono hi hajamat karte hain.....dono ke business mein competition bhi hota hai.....par human shave karwata hai aur use asur jyada pasand aaye hote hain.....sukhi ram badi age mein hajamat karana chodd deta hai..... suar devta hain..... asur bhagwaan hain.....bande mostly bande hi hain aur sukhi ram sukhi ram se jyada hai.....yeh baat samajhni hoti hai.....

aise to game poora balanced hi hai.....devta ki double demotion honi hai par par abhi to zinda hai.....human ki single demotion honi hai par abhi bhi thoda mara hua hai hi.....asur ki double promotion honi hai.....sukhi ram ki single promotion honi hai.....

matlab a song recitation.....jind firdi parane vair tohldi.....jind uhde baapan di paare waangu doldi..... suar devta hain..... asur bhagwaan hain.....bande mostly bande hi hain aur sukhi ram sukhi ram se jyada hai.....yeh baat samajhni hoti hai.....

in short asur hi mare the kyonke unka ladka kaam nahi karta tha aur addict tha(devta).....

matlab jaise maine devtaon ka time khatam hoga yeh calculate kiya tha.....jisse woh utre the.....mere ko sai ne maara tha.....aur sai ko human banne ka moka na mile zyada yeh setting devtaon ne ki thi.....matlab use bahut chotti transition se hi asur bana diya gaya tha.....use kahin se yeh vehm tha ke jitna zyada asuron ko maaro utna hi zyada sukh milta hai(matlab bada haath maar jao).....par saalo woh to tumhare baap hain sukh kaise milega.....utna negative karam add hoga.....keeda bana tha baad mein asur banne pe..... aur mere khayal mein ek hi tarah ka keeda hota hai sirf duniya meinaur wahi hota hai sirf.....

halanke asur ne gaane mein keh diya tha ke woh jattan da munda hai jatt nahi par woh baat theek nahi thi kyonke asur ke bolne mein bahut hi halka weight hota hai jo devta aur human se halka hota hai asur ke document bhi halke hote hain human ke document se jabtak proper hardcoded english mein nahi likhta.....to jatt asur hi tha na ke devta.....devta bhi gaane mein jhooth bol raha hai ke woh jatt hai jabke woh jattan da munda tha.....matlab khud sochne ki baat hai ke bhagwaan jatt hoga ke sharabi kubba devta jatt hoga yeh khud sochne ki baat hai.....matlab agar to jatt kubbe hote hain to to pata nahi par mere khayal mein jatt strong hota hai aur seedha chalta hai.....

matlab ramayan ka saar yeh hai ke saare sharabiyon ne pakistan se apne saare baapon ke gupt adde ka pata laga liya aur uspe chadhai kar ke unhe maar diya sri lanka mein.....aur ek baar nahi kai baar.....

devta keh raha hai saale ham apne baap ko bhagwaan samajh rahe hain tum asur bhi bol rahe ho.....sudhar jao aur jhooth bolna band karo.....arey jhooth kaise.....recordings dekho ramayan ki aur asura movie ki lord of the rings ki.....jo asur hain woh wahi tumhare baap hi hain.....bhagwaan hi asur hota hai par tumhe yeh baat samjhane ka kaam hamara hai ham samjha denge dheere dheere.....jo tumhari family mein mara tha tumhara baap partner beta woh wahi tha aur devasur sangram mein hi mara tha tumhare haathon.....

harmonic mean se mujhe abhi tak dar lagta hai as human jabke maine devta hone ke time se darna shuru kiya tha is cheez se.....kyonke harmonic mean 50% se kam hota hai aur pata nahi shaayad sukhi ram ne calculate kiya tha aur sirf human ke liye chala tha.....par sirf + hi nahi yeh advanced math use kar ke nikalta hai.....

caste devta ne hi banayi hai.....human to sirf dara hi tha usse thoda time tak.....par asur ki nokri choot gayi thi.....woh chotti jaat maan gaya tha apni yeh chakkar hai.....halanke devta abhi bhi nashe mein yeh hi samajh raha hai ke human fansa tha caste trap mein par nahi humans apna apna SYSTEM samajhte the aur bilkul hi lower caste ke bhi nahi hote the aur kaam bhi nahi karte the chotta to woh nahi trap huye thedevta chotte kaam kar raha thaasur chotti caste maan chuka tha.....to caste sirf un dono ke chotte kaam karne ka certificate hai ke tum chotta kaam kar sakte ho.....human aur sukhi ram ko chotta kaam karna hi nahi to unhe farak nahi padta is cheez se.....halanke devta jhooth bol dete hain ke caste human ne banayi thi kyonke woh poora jhooth hi bolte hain.....caste banane mein unhe yeh benefit laga tha ke ham to jhooth bol ke kabhi bhi high caste bol sakte hain.....sharaabi bande ko kon poochta hai ke kya caste hai.....asur jo jhooth nahi bolta use certificate ka fayda ho jaayega.....aur

naukri mein fayda hoga.....jabke yeh baat sach hai ke asur ko pad-hai mein benifit hua tha caste certificate ka.....to bilkul halke level ka fayda to hua tha dev / asur ko caste ka par kaafi halka.....par asur jab mar hi gaya to use kya fayda.....devta ko hi fayda hua usi ne banaya tha.....matlab daaru pee ke wele kaam kar dena.....maar dena kisi ko caste bana dena.....aise hi utpatang kaam hi karte hain devta.....kyonke hosh mein kam aate hain.....matlab daaru pee ke wele kaam kar dena.....maar dena kisi ko caste bana dena.....aise hi utpatang kaam hi karte hain devta.....kyonke hosh mein kam aate hain.....par nahi asur hi fansa tha kyonke uski caste asur thi.....woh bhi ek caste constraint hi tha.....par karam based.....

asur bhi nirasha mein bol gaya “Badla lai layi sohneya je maa da jaaya”use pata tha yeh saala bewda ab kya khud ko danda maarne baithe.....isliye usne aisi baat boli.....

Design Methodology

Chapter 2

Design Methodology

Alyssia Meloni

Some people on the other hand keep thinking the whole day or their considerable time as to what way the world works. They can possibly come out with a design pattern as per their thinking how the world can possibly work. In Sri Guru Granth Sahib , this type of meditation is named as "Vidya Vikham Veechar". Some however believe that vikham veechar is alright but before that those people should have some standard Vidya from trained teachers and most probably don't go to the meditation form but the Visible aspects in nature and their workings, as in the materialistic things available around us. But the problem in this kind of study is that there is a wide number of such objects available and there has to be kind of group of people who work on this particular aspect. Then there are the other kind who don't have say formal Vidya in the form of a standard institution but they are working in the same way, similar to the way say a meditating guy is doing it without a guru. These second kind of people make design of everything living it seems from the analysis. While on the other hand the standard institution trained work on non-living thing designs with one physics problem attached with it in some cases. Physics is attached in all cases but the difference comes whether it is idealistic or real-world. A good institution would have ideal case study as the first requirement. However many say that studying real world case is tougher to study but i personally think that real world case comes only when some environment variables are lacking correct initial values. Now we can say that a human is not an animal directly and not a non-living object also, but say a hybrid of the two but how much of which type is the question. An animal(or say a bird or fish) vs an object design can never be compared as animal was designed by non-iitians and we know that except few special kind of animals most animals live in poor conditions. Freedom is lesser in their case but i have given them first on the basis of the emotions attached to animals. My son i've clearly instructed that if you want to study medical , fine , but clear both entrance exams and only design human body, not a squirrel or a rat for that matter. Think of your father who has struggled all life to get rid of his rat gene.

Monetary studies can add interest to your spare time but should be cautious that if you study it formally , that means you have to help in the world economy flow that it doesn't create bottlenecks but smoothly flows to the masses , that means you should not become a sahuکار however the name sahu is fine. An easy

method is don't give any thing for later date payment (udhar) from your personal balance unless you are working for some registered bank or standard money negotiating institution with easy and properly reviewed terms and conditions of money collection. However for relatives this is possible that you pay some amount in their hour of need. Suman madam in our known people can be seen as a special case, they were colleagues of mom, however it's possible that this method is coming from second line monetary study design but has a formal form in terms of bank loans and term payemnts which have a highly qualified technical guy to design any single case of money flow rules. I am simply oblecting to direct payment from personal balance as credit with say some interest conditions but i don't know whether it can come as something positive on a later date or not. If someone gives 50 bucks he should take back 50 bucks but that has never happened ever unless face to face transaction happens. We don't agree to interest on money from your personal account. However one sahu girl from my friend list has come via that method but after designing the whole formal interest system only, and certianly not by giving money on rent. Renting money is second line like the way we are struggling with the animals designs made by non-iitians. Probably they are doing it to study finance as they could not have proper institute teacher knowledge directly pouring under their belt and they are instead doing it practically. Monetary study is for masters from a reputed financial study institute after completing iit. A surplus. If you want to design in bank loans or finance, you can opt the tertiary qualification but after iit which is a bare minimum.

Discussion on the role of Intents in Karma

Chapter 3

Discussion on the role of Intents in Karma

Monica Thakur

It is clear that Intents play a great role in our karma, as to how clearly we justify between right and wrong. Every person has an inbuilt connection to god to distinguish between a good deed and a bad deed. I would like to further enforce this bare truth that Good karma is calculated not on what you do but with what intentions you are doing it. So, say if a barber is shaving the heads of people say some brahmin, it doesn't mean that he is killing his father but it means he is doing his job to earn bread if the intentions are right. I would like to further elaborate with examples.

1. Intentions can be in percentage, accurately known to last but one bit decimal calculated upto infinity places, last bit left for everybody/everyone/all as unclaimed as calculating it can cause extreme calculation error. Anyways this is my calculation of the design of the world i understand, it might not be true as to what God actually does but i think God does it that way. Sham Giri says that the last bit is calculated on the basis of previous residual karma.

2. In old panchtantra stories we read stories like, a thief tried to hid himself in a sadhu's home when he was teaching students, now sadhu doesn't disclose to the people who were after that person that he is inside and saves his life. The story ends here as per panchtantra. But then as per my calculations that person/guy might be running after killing/rape/stealing and might be a sought out offender as per law and God also, but it depends on that Sadhu's judgement whether he did a good job in saving that person/guy. If he couldn't judge properly, it's an error as per me, however if he could properly figure out the person's present state , in that case he is right if the person was not an offender but was falsely projected.

"First Edition"

Gouri Kumari Dhanghadamajhi

It starts with the very first mantra, Ik Onkar Satnaam karta purakh nirbhau nirvair akal murat ajuni saibham gurparsad.

It's also known as the mool mantar and is never found to fail. It's for the nirgun roop of GOD.

{ Their are claims by people saying that Sat naam is different from Satnam and Akaal is different from Akal , so we have written this verse keeping their theory too and in place not disturbing the original verse. However there is possibility that these claims are mere spoilers. The user is suggested own descresion. }

Then their is the ram naam , ram is one of the many sagun roops of god.

Sri ram jai ram jai siaram

Sri ram jai ram jai siaram

Sri ram jai ram jai siaram

The muslim verse namaz is being given here,

Alhamdullilaha-e-Rabbil Almin ur Rehman nir Rahim, Maliki Ummadin, e-aagan aabdu, waiya Kanasteen, ehi dins siratal Mustakin. Siratal Al-Azeena An amtalahim Gayaril Magdubi Alaheem, waladua layeen. Aamin.

No mention of a Christian verse. But then the whole of English based education is the gift of the west. It's the scientific approach. However I do give a verse which is not even a verse but a rule. It is God is One. Apart from these three verses there is another method , in it you need to tighten your body and once completely tightened , you are set in meditation. It's exactly opposite of the other form which animals do while dying in which body is completely relaxed and let die to ease out the painful process of death. So eveverybody knows meditation in some form or the other , what matters is you should know which method is the most beneficial at a particular instant. For this method , the body is the mandir and you need to take proper care of it, is being said. These methods end here. Other second line methods like spirtual text reading or tirtiary methods like yoga , or mantra training from a trained guru are useful if the primary methods are not working. Some people say that tantric methods and mantras are also useful if these methods don't work. However I don't recommend them. Some short spiritual texts contain a prayer stanza in the beginning and a pungent tantric mantra in the end of the text and have become the custom these days. The last tantric mantra is for the training guru and the

opening stanza is a short prayer of the devta whom one is worshiping.

Psychotropic drugs like Rishnia can offer you a lifetime of tough meditation but should be avoided as far as possible unless your parents suggest it be taken. Reason being they reduce the sexual power to a large extent while the main benefit of traditional meditation is increase in sexual power. Ability to fly and Darshans of God are few benefits of meditation.

Feminine meditation can be slightly different, one of the prominent mantra being the Gayatri Mantra. I am not aware of the difference in this regards but my female family members guide that this mantra is useful for them although it didn't work for me.

Oum bhoor bhuwah swaha, tat savitur vareniyam, brago devasya dhimahi, dhiyo yonaam prachodaya, swaha.

{ However their are further ambiguity claims in the word Savitur and some claim it's sat vitur. }
